NICE FOR TAFT

Congress Decides To Boost President's Salary to \$100,000.

Washington, Jan. 12 .- The increase of the United States navy to the extent of \$29,000,000 was agreed upon today by the House committee on naval affairs.

The following naval programme for appropriations at this session was tleships of 26,000 tons displacement \$19,000,000; five torpedo-boat destroyers. \$4,000,000: three colliers, \$3,600,000: four submarines, \$2,000,000; one subsurface boat, \$400,000.

Two battleships are recommended by the committee instead of four, as estimated for by the navy department. An amendment to the legislative exscutive and fudicial appropriation bill. increasing the salary of the President to \$100,000 and the salaries of the vicepresident and the speaker of the House

tee on appropriation.
