

Household Linens

January Clearance

Furniture Sale

Take careful inventory of your household linens and furniture, for these January Sales offer rare economies. This store's buying resources and merchandising power are constantly increasing, new markets are being searched and better values found. Efficiency to the highest degree is demanded of our organization. The culmination of such methods is reflected in these sales, whose force and magnitude and significance affect every home and every individual within the shopping range of this store.

Tomorrow---The LINEN Sale

Manufacturer's Seconds and Odd Lots at 1-3 Off

FLEUR DE LIS BRAND LINEN CLOTHS AND NAPKINS.

There's particular reason why you should be on hand early tomorrow and take full advantage of this opportunity. Reductions are based on this next spring's quotations or the lowest possible prices we can anticipate for some months. The seconds are the celebrated Fleur de Lis Brand and cover their entire range of delightful qualities and designs. Merchandise you can buy with absolute confidence of exceptional service and appearance. The imperfections are so very slight that only upon most careful examination are discernible, and in most cases will not impair the wearing quality, as often it's merely an oiled thread or an extra heavy thread that's to be found. The quantities are limited, but cover mostly all sizes.

Every Cloth Advertised Is Irish Linen

Furniture Sale Begins Tomorrow

This will be a departure from the time-worn custom of having a furniture sale in February, whether or not you have sale furniture, but it will conform with our policy of department clearing sales for the month of January, which is stocktaking and the end of our business year. The furniture department will, as all other departments, make its pre-stocktaking clearance in January this year, and many half-price opportunities.
