There's quite a little grudge feeling as a hang-over from Manhattan-Glencoe mixes last year.

Glencoe punched a 4 to 2 defeat on the locals' ticket as they started on the first leg of the journey to group honors, a faot which hasn't been forgotten, and which is acting two ways on the locals; in first tapering off on any overconfidence that might creep into their attitude toward the game, and at the same time putting it strictly up to them to wipe away the stain.

When Ingersoll defeated Glencoe, the locals figured that it was a false alarm they heard on their trip down there, but Glencoe's defeat of Ingersoll Tuesday night in the return game knocked the locals may be added to the fact that they are away from home is not likely to bother them much.

The locals will probably be further switched around for this important tilt. At last night's meeting of the hockey sub-committee, Coach Hi Ferguson, who has been unable though business and other reasons to do what he considered was necessary in the way of coaching, offered to resign, but was prevalled upon to keep on with the job and consented, providing Cap. Graham and he were left to work out the juniors' destiny. The two will be on hand tonight for the work-out, and the boys will get a real drilling, something they've experienced about once ail this season.

In the London camp, there is an opinion that two of the goals that Glencoe got on their last meeting were somewhat flukey. They are not producing this ancient plece of information as an ailbi so much as to show that 4 to 2 in that early effort didn't quite indicate the relative strength of the two teams.

## REDMEN BEATEN 5-1 BY AURA LEE SENIORS

Toronto Team Got Away To Early Lead At Sound.

Owen Sound, Jan. 17.—An exhibition game of hockey here tonight between Aura Lee of Toronto and the Wiarton Redmen resulted in the score of 5 to 1 in favor of the Aura Lee.

In the first period the Aura Lee got away with a lead of two goals, scoring one in the second and two in the third. The Wiarton Redmen got their only goal in the last period. The game was fast throughout.

Wiarton—Goal, Nimmo; right defence, F. Gildner; left defence, J. Gildner; centre, Jamieson; right wing, Dad Ashley; left wing, Stevenson; subs, Alian Ashley, Miers, Rock.

Aura Lee—Goal, Hayes; right defence, Cain; left defence, Speyer; centre, Dinsmore; right wing, Cotten; left wing, Rice; subs, Morris.

Referee—Cully Rocker, Listowel.

It may be done—strange things are happening day by day in every way, but the writer believes firmly that M. Coue will have to rush immediately to Floyd's assistance and work nonunion hours to bring the latter out a winner over Gibbons. The writer has seen both men in

their last fights—Gibbons against Miske, and Johnson against Brennan Miske, and Johnson against Brennan and on these showings Gibbons could today, provided, of course, he is in any kind of shape, fight rings all around Johnson. Evidently Cook has thrown overboard the heretofore admitted and wise policy of making haste slowly.

Trims Ealing 4--2.

Friday will be another big day in public school hockey, with seven games billed at various rinks. The race is getting interesting now, and from now haste slowly. As stated at the opening, unless all

the dope is unexpectedly overturned, his new policy of haste will end in the proverbial waste.

FRENCH GO UP

Win Over Ottawa Puts Them in Second—Tie With Tigers.

Toronto, Jan. 17.-Thousands of Toronto fans were shown the reason why the Ottawa Senators were humiliated last Saturday night at Hamilton, when Art Ross' Bengal tribe outplayed St Patrick's in every department tonight at the Arena and beat them 5 to 2. As the Canadiens defeated Ottawa the Senators are out in front with a scant one point lead, while the Canadlens and Hamilton are tied for second place, with St. Patricks in the cellar position just two points behind Ottawa. Seldom has the race in the pro circuit been so close with every team in the race for the honors.

To Goaler "Vern" Forces must go the major share of the honor for the victory.

To Goaler "Vern" Forbes must go the major share of the honor for the victory.

After scoring two easy goals in the opening period the Hamilton team adopted a four-man defence, with one man breaking with the puck on the attack. For forty minutes they held the almost frantic Irsh front line at bay and earned three more goals, that kept them always far in front on the score sheet. At times Adams or Babe Dye broke through, but they found Forbes on the alert, and their goals came on a long shot and when the Tigers were playing two men short through penalties. The teams:

CANADIENS TRIUMPH.

Montreal, Jan. 17.—Outplaying and out-generalling their opponents throughout the game. Canadiens triumphed over Ottawa Senators by 2 to 1 in the scheduled National Hockey League fix ture at the Mount Royal Arena tonight. Canadiens owe their victory to better planned defensive and off-ansive play. They adopted tactics usually used by the Ottawa playes while in the lead, and in doing so defeated Ottawa at their own game. Canadiens showed more aggressiveness than they have shown in the previous games played at the Arena this season. They seldom let up in the pact, until the closing ten minutes of the final period, by which time they had the game safely tucked away.

The Italian boys suffered a 9-to-1 defeat at the hands of the St. Peters crew. Some of the sons of Sunny Italy have names which are distinctly Gaelic, such as Pook and Delaney. Both teams played airtight hockey in the first period, and it was only in the first period, and it was only in the last canto that the Cathedral lads were able to run up their counters.

St. Michaels and St. Marys locked horns in the opener, the east enders winning to the tune of 5-4. Both of these teams have a number of youngsters who have great promise of developing into stars.
