Toronto Mother Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Toronto, Ontario.—"I have found Lydia E. Pinkham's Vegetable Compound a splendid medicine to take before and after confinement. A small book was put in my door one day advertising Lydia E. Pinkham's medicine, and as I did not feel at all well at the time I went and got a bottle of Vegetable Compound right away. I soon began to notice a difference in my general health. I was full of aches and pains at the time and thought I had every complaint going, but I can truthfully say your medicine certainly did me good. I can and will speak highly of it, and I know it will do other women good who are sick and ailing if they will only give it a fair trial. Lydia E. Pinkham's Liver Pills are splendid for constipation. You are welcome to use my letter if you think it will help any one."—Mrs. HARRY WESTWOOD, 543 Quebec Street, Toronto, Ontario.

The expectant mother is wise if she considers carefully this statement of Mrs. Westwood. It is but one of a great many, all telling the same story of beneficial results.

Lydia E. Pinkham's Vegetable Compound is especially adapted for use during this period. The experience of other women who have found this medicine a blessing is proof of its great merit. Why not try it now yourself?

WHY HE SUCCEEDED

From hard work on a farm to the study of medicine in Cincinnati, where he was graduated in 1882, was the course which Dr. R. V. Pierce took.

In his younger days he practiced medicine over a large territory near Titusville, Pa. Finally he determined to put up some of his prescriptions in ready-to-use form in order to reach a larger number of families. He thus early moved to Buffalo, N. Y., and established the World's Dispensary, where he put up Dr. Pierce's Golden Medical Discovery for the blood as well as the Favorite Prescription for women, carefully preparing them from roots, barks and herbs and placed them with druggists everywhere.

During the last sixty years Dr. Pierce's Discovery, for the blood, has been sold in larger quantities than any other medicine. It is a tonic in its effects on the stomach and digestive apparatus; an alternative in its action on the blood, liver and skin. It increases the appetite, stimulates the digestion, enriches the blood, and makes both men and women young and care free when they were young and care free. Ask your druggist for Dr. Pierce's Discovery, in tablet or liquid form, or send for the trial package of tablets to Dr. Pierce's Laboratories, in Bridgeburg, Ont.—Adv.

A WOUND IS AN OPEN DOOR

Absorbine Jr. enables you to shut the door quickly.

The skin is Nature's own protection against germs. When it is bruised, broken or cut, that protection is withdrawn. The door is open. As quickly as possible Nature closes it by forming what we call a scab and renders you comparatively safe against infection. But this scab sometimes takes days to form and until it has fully sealed the wound, even until the wound has thoroughly healed again you must furnish the required protection yourself.

A few drops of Absorbine Jr. in the water will give you an antiseptic wash that will kill all possibility of infection and help nature to heal the wound. As well as being a very powerful germicide, Absorbine Jr. will draw out the inflammation and bring instant relief.

Absorbine Jr. is antiseptic, germicide and liniment in one container—easy to keep always in the house; easy to carry around if you travel.

Shareholders Forced To Pass Hat To Find Who's Who In Company

Toronto, April 20.—Before they could obtain the books of the concern from the auditors, about 20 shareholders of the Petrie Cream Separator Company, who met here today, were compelled to "pass the hat" in order to raise \$120 due the auditors for their work. The books were necessary to ascertain who were the shareholders.

Charles M. Petrie, former head of the company, was arrested some time ago on various charges arising out of his operations, and later jumped his bail, which was estimated. Discussing the situation, one of the shareholders asked that \$50 be provided for expenses and that he would find Petrie. Several others expressed the belief that he was actually in the city or nearby.

That's Why Quebec Man Praises Dodd's Kidney Pills

Mr. J. Poliquin Suffered From Backache, Neuralgia and Headaches.

St. Nere, Que., April 20 (Special).—After five years of suffering from kidney complication, Mr. Poliquin, a highly respected resident here is relieved of his trouble. "I am very well today and can do my work," states Mr. Poliquin. "I have suffered for five years with Backache, Neuralgia and Headaches. My sleep was broken and unrefreshing and I was always irritable and nervous. "I have found Dodd's Kidney Pills very beneficial. Several of my friends have also found them good. Kindly send me one of your Almanacs. "If you inquire among your neighbors you will find scores of people who have discovered in Dodd's Kidney Pills relief from some form of kidney trouble. It may have been the dry, itching skin, dizziness, nervousness and inability to get refreshing sleep that mark the earlier stages of the disease, or it may be diabetes, dropsy, rheumatism or some other of the dangerous diseases that mark its advanced stages.—Adv.

NIAGARA SEES ACROSS LAKE AS COLD WAVE PLAYS PRANK

Canadian Press Despatch. Toronto, April 20.—For many hours last night Niagara-on-the-Lake saw Toronto's illuminations as clearly as if they were standing on Toronto Island. From Oakville, the spectacle appears to extend all the way from Port Dalhousie, clear around to Hamilton, thence following the north shore to beyond Toronto. From Niagara-on-the-Lake and Port Dalhousie lights could be traced, so clearly defined that the rise and fall of the shore could be followed without trouble from Hamilton, Burlington, Oakville, Port Credit, Mimico, Toronto to Oshawa.
