### WILL CAMPBELLTON FALL DOWN?

There are only two days for the Victory Loan drive, and they will be two exceedingly hard days if Campbellton and Restigouche county are to uphold the splendid record they have made in the past four years. Surely our citizens will not have it said of them that they fell down at the end of the war.

Campbellton has \$62,000 yet to raise. How much more can you take. Now is the time to double up if you possibly can.

The returns for the campaign so far are as follows:—

District	Sold	Objective
Campbellton	\$313,150	\$375,000
Dalhousie	33,900	115,000
Durham	83,600	50,000
Colborne	47,000	66,000
Dalhousie Parish	31,150	12,000
Ashtington	29,350	17,000
Eldon	3,000	

It will be seen that only three districts have yet reached their objectives, and it will mean hard work by all if Restigouche is to win her honor flag.

Now let everyone get to it for the last two days.

**VICTORY LOAN MUST SUCCEED**

At least \$500,000,000 must be obtained by Saturday night.

(1) To bring the boys home.

(2) To maintain them in Europe till peace is firmly established.

(3) To maintain our industrial activities and provide new employment for munition workers and soldiers as they return.

(4) To continue our loans to Britain for buying Canadian food.

(5) To enable Canadian workers to get their rightful share of orders for rebuilding Belgium and France.

Monday, Nov. 11th, will be remembered as the greatest day in British history. We all relaxed and rejoiced and will remember it as long as we live.

Let us, in our rejoicing, not forget the enormous responsibility that rests on us for the remainder of this week.

Canada must subscribe for \$35,000,000 on each of the next four days.

E. R. WOOD,  
Chairman, Dominion Executive Victory Loan, 1918.

### REVOLUTION NOW IN GERMANY

The Kaiser Has Renounced His Throne and Country and Is Now in Holland.

Amsterdam, Nov. 11.—Arms, weapons and soldiers stormed the prison in the Altmohr street, in Berlin, at the request of Deputy Büchener, they released only those incarcerated as "war victims" including General Captain Von Boerfeldt, who was concerned in the distribution of the nomination of Prince Lichnowsky which accused Germany of starting the war.

Amsterdam, Nov. 11.—News has been received in Berlin and forwarded here that the garrisons at Doornik and Potsdam are in the hands of the Soldiers' and Workmen's Council.

Amsterdam, Nov. 11.—Emperor William, it is reported here, was on his way to the British lines to surrender when he was headed off by German revolutionists and forced to seek safety in Holland.

Hindenburg Not With Him?

Washington, Nov. 11.—A German radio message picked up by the American Station confirms the report that William, Hohenzollern, is in Holland where he is said to be awaiting a decision by the officials of the Netherlands Government as to his status. The reports says Field Marshal Von Hindenburg is not with the former emperor, but has remained at the headquarters of the German general staff.

Red Flag Over Kaiser's Palace

Amsterdam, Nov. 11.—Describing the situation in Berlin late on Saturday, a correspondent of the Handelsblad says:

"Since morning the aspect of Berlin has changed completely. Garrisons filled with soldiers and civilians moved slowly through streets crowded with sightseers who are not yet able fully to comprehend the new situation.

"Soldiers carrying red flags shout: 'Long live the republic!' and sing the Marseillaise. There are no police but soldiers are maintaining order. Railway trains are running.

"The sightseers today concentrated in the Unter den Linden and the Schloss Platz and were remarkably calm. On the imperial palace, the palace of the crown prince, and the government buildings red flags were waving. There were hundreds of processions throughout the city in which civilians and soldiers joined."

### BAN LIFTED FROM PUBLIC MEETINGS

As it has been proclaimed by the G. Melvin, Chief Medical Officer of the N. B. Health Department, all churches and theatres may reopen Thursday the 14th and schools on Friday, Nov. 15th. It is the opinion of the local health authorities that it is reasonably safe to do so.

Although there are still a few cases of influenza existing in this town, it is thought that the disease is sufficiently stemmed out and disappearing rapidly enough to allow the reopening of schools and public buildings providing proper care is taken.

The Board urgently request all persons who have been sick with influenza within ten days and those residing in a family where the disease was prevalent, within ten days, not to go to church, school or theatre for fear that they may give or carry the germ of this dreadful disease.

All children not feeling well or having severe coughs should be kept home until it is proved by a medical certificate that they are not suffering of influenza or of a sequel.

The Board would be grateful to any person who would report those who neglect or refuse to comply with these requests made at absolutely for the safeguard of the people.

L. G. PINAULT,  
Chairman of Local Board of Health

NOV. 10, 1918.

**A MILLION MOTHERS.**

Think! Nobody but the mother of a soldier knows—can realize—what she is giving. There are a million mothers who are giving their only sons—without whom they feel that life is not worth living. Each fondly hopes that her boy will return to her. Some must come to grievous, heart-breaking, life-shattering disappointment. Our duty is to keep down the number. Victory Bonds!—Money—for food to maintain their sons' stamina; clothes, shelter and medical supplies with which to fight disease; efficient training officers to lead them wisely. These, with the innumerable other material requirements of warfare, are things your money can buy to help bring the sons of several million mothers back to them.

## At Last—"The Day"

The war is won.

The guns are silent—the trenches are vacant—bloodshed has ceased—democracy is triumphant—freedom is assured.

Germany, the beaten, whimpering bully of the nations, lies stripped of power, whining for mercy, shudderingly awaiting the righteous retribution to be exacted for his fiendish crimes against an outraged worn civilization.

A war-worn world is nursing its wounds and planning for a future of peace and universal freedom.

In this day of thankful joy and glorious triumph let us not forget the imperative duty lying immediately before us.

Let us manfully, dutifully and determinedly round out the nations splendid effort.

Let us be as big in this triumph day as our men have been heroic in the fiery din and bloody peril of the battle.
