A splendid program of dances was carried out, music being furnished by the Concerto orchestra. At midnight a dainty lunch was served, the members of the lodge serving being dressed as ghosts. Over one hundred couples enjoyed this delightful function. Mrs. A. M. Ward, Mrs. J. Gilker, and Mrs. N. R. Weir acted as chaperons.

SMALLPOX CASES

FREDERICTON, Nov. 5.—It has been reported to the Department of Health that the two cases of smallpox at Edmundston were caught from an unrecognized source, according to the report of A. G. Turvey, Provincial Horticulturist, who has been in Montreal to see the condition of the New Brunswick apples on arriving there. The apples, shipped by the New Brunswick Fruit Growers' Association have been arriving in excellent condition and one shipment of Golden Russets from the province were claimed to be the best car of apples that had ever arrived for the Montreal market.

DEMONSTRATION PLOTS.

Demonstration farms in different parts of the province, are to be established and put in operation next summer by the Federal Government, according to an announcement. A man will be selected to take charge of the work in the province and the farms upon which the demonstration areas will be placed will be selected by the representative of the Federal Department of Agriculture in consultation with officials of the provincial department.

SEIZURE OF HIDES.

Warden Joseph Grogan, of Chatham, made a seizure on Friday of moose and deer hides at M. Arlinsky's. It is claimed by the warden that the animals were killed during the close season. The accused was brought before the Police Magistrate. The case is still pending. Two barrels and two sacks of hides, shipped to Quebec by Mr. Arlinsky, are held by the Quebec warden for investigation. It is reported that the warden has a case against another local hayer of hides and that proceedings will be commenced in a few days.—Chatham Gazette.

BLACK CAPE.

It is with feelings of deep regret we learn that Rev. E. J. Rattée has resigned his pastoral charge of this congregation and has accepted the call which has been extended to him from the congregation of Longueville, Que., and is leaving in a few weeks to take up his charge in his new field of labor.

Mr. Angus N. Campbell attended the meeting of Presbytery which was held in Campbellton on Friday evening.

The many friends of Mr. Scott Fairservice will regret to learn that he is confined to the house through illness but we trust that he may soon be around again.

We are also glad to learn that Mr. William Fairservice who has been quite ill at his home here is now improving.

Among those present were Misses Eunice Pritchard, Lottie Steele, Queenie Steele, May Drake, Margaret Barton, Dorothy Coull, (Grand Cascapedia), Mamie Campbell, Miss Hamilton (New Carlisle) and Bernice Campbell, and Messrs. YOUNG—DEMPSEY.

On Wednesday, Oct. 29th, Winifred Jean Dempsey, youngest daughter of Mr. and Mrs. A. B. Dempsey, was united in the holy bonds of matrimony to Mr. Bernard Young.

The bride, who looked charming in a tailored suit of oxford grey velour, was attended by her sister Henrietta M. Dempsey. The groom was supported by Mr. Thomas Caremon. The nuptial mass was solemnized by Rev. Fr. Murdoch of St. Gabriel's Church, Jacques River.

After the ceremony the bridal party repaired to the home of the bride, where a dainty breakfast was served. The groom's gift to the bride was a beautiful set of natural wolf furs, and to the bridesmaid an onyx little finger ring. The happy couple left on the Local for a short trip to Montreal.

Dalhousie, N. B.

To the Editor of the Graphic—

The ratpayers of town of Dalhousie were somewhat surprised on an evening last week when one of the aldermen and chief controllers of the town of Dalhousie was seen parading the main street, leading a procession leading a poor lamb proceeded by a party with chickens and geese which was won by gambling.

They passed the chief of police who seems to have his hands tied behind his back, wonder why. "What is this town coming to?" I understand that he and his colleagues held a banquet the following evening. This aspiring young gentleman with a few of his hosen assistant is trying to pave the way to popularity. His flattery goes a long way with the fair sex.

Let's hope this young gentleman makes a better mark at his profession than leading sheep around our town.

As you are at all times willing to give space and support to any undertaking that is in the interest of the public and your readers, perhaps you and many others can do me the favor to talk over the best means to proceed.

It has been suggested (after this has been done) a public meeting could be called at which we could have the Hon. John Kelly and a number of public men from both counties give addresses. Petitions, I have no doubt would be largely signed. These could be presented to both Ottawa and Local Government, the several members
