## A Splendid Laxative For The Baby

Mothers should constantly be on  
guard to keep baby's bowels working  
freely and his stomach sweet, for  
nine-tenths of the ailments from  
which little ones suffer are caused by  
derangements of the stomach and  
bowels. Baby's Own Tablets are a  
splendid laxative for the baby. They  
are mild but thorough; contain nei-  
ther opiates nor narcotics, and are ab-  
solutely guaranteed to be safe and  
efficient for either the newborn babe  
or the growing child. By their ac-  
tion on the bowels and stomach they  
drive out constipation and indiges-  
tion; break colds and simple fevers  
and make the dreaded teething peri-  
od easy. The Tablets are sold by  
medicine dealers or by mail at 25  
cents a box from The Dr. Williams'  
Medicine Co., Brockville, Ont.
