Monroe City, Mo., Chicago, Ill.—Dear Sirs: The Monarch Lightning Potato Digger has been received. Have tested it and am very much pleased with it. I think it will suit the people very well, at least those who have seen it. It is much. If I should order twenty-five Diggers, would the freight be cheaper in proportion than on a single Digger? How many will you hold?

Frank J. Barnes.

The Monarch Lightning Potato Digger has been in use for the past five years, and we have been reliably informed that so great is the demand for this important farm implement that the factory is taxed to its utmost capacity. —From Indiana Farmer, Indianapolis, Ind., July 14, 1883.
