SCROFULA

Usually develops in early life, and is a peculiar morbid condition of the system, usually affecting the glands, often resulting in swellings, enlarged joints, abscesses, thickening of the lips, enlarged neck, sore eyes. A scrofulous condition is often hereditary, but bad diet, too free use of fat meats, bad air, want of sunshine and nourishing food will produce it. Some people are troubled with scrofulous swelling of the glands, and with ulcers and kernels, which may cause very little pain; others may have inward scrofula, scrofula of the lungs, scrofula of the spleen, scrofula of the kidneys and scrofula of the bones. Burdock Blood Bitters will drive away any case of scrofula, and not to appear in another place, for their action on the blood and bowels will carry the disease entirely from the body.

FRIED BANANAS.—Peel and slice the bananas, sprinkle with salt, dip in thin batter, and fry in butter. Serve immediately.

A MONTREAL CITIZEN EXPRESSES HIS OPINION !!!—The St. Leon Mineral Water proving its virtues.—A Natural Remedy, giving relief when all others had failed.—Important certificate.

Montreal, Aug. 27, 1886.

The St. Leon Water Company, 4 Victoria Square:

GENTLEMEN,—Being a sufferer from Rheumatism and Dyspepsia for a number of years, I have found that the use of St. Leon Mineral Water has given me greater relief than any other remedy that I have used (and I can safely say that I have tried everything from Dan to Beersheba). I firmly believe that a constant use of the St. Leon Water will cure the worst case. I am yours truly, Harry J. Dean.

How to use the St. Leon Mineral Water.—As a purgative, take two or three warm glasses before breakfast. One or two glasses after meals will act very efficaciously against dyspepsia. Take this water, which is one of the best *alteratives*, drink it daily, one glass every two or three hours, in chronic diseases you will change and purify your blood. We recommend the use of St. Leon Water as a preservative against the diseases originated by strong liquors. Circulars containing *important certificates* sent free on application.

This invaluable Water is for sale by all leading druggists and grocers at only 25 cents per gallon, and wholesale and retail by St. Leon Water Company, 101 1/2 King Street West, Toronto. C. J. E. Coté, Manager.

N.B.—For Dyspepsia or Indigestion drink the Water after each meal, and for Constipation take it before breakfast.

CAULIFLOWER OMELETTE.—Take the white part of a boiled cauliflower; after it is cold chop it very small and mix with it a sufficient quantity of well-beaten egg to make a very thick batter.

"SUDDEN COLDS."—At the commencement of a cold take a teaspoonful of Perry Davis' Pain-Killr in a little milk and sugar, and the cure is more sudden than the cold.

SARATOGA POTATOES.—Peel and slice in nice long pieces and put in cold water, wash and drain, spread between the folds of a clean cloth, rub and pat until dry. Fry in hot boiling lard; salt as they are taken out.

HIGHEST PRAISE.—The well-known drug firm of N. C. Polson & Co., of Kingston, writes that Dr. Fowler's Extract of Wild Strawberry has long been considered the best remedy for Summer Complaints in the market, and adds that their customers speak in the highest terms of its merits. Wild Strawberry is the best known remedy for Cholera Morbus, Dysentery and all Bowel complaints.

CHOCOLATE ICING.—Put into a saucepan half a pound of powdered loaf sugar, two ounces of grated chocolate, and about a gill of water; stir on the fire until the mixture assumes the consistence of a thick, smooth cream.

IN A DANGEROUS CONDITION.—Any man, woman or child is in a dangerous condition when neglecting a constipated state of the bowels. There can be no perfect health without a regular action of this function. Burdock Blood Bitters cure constipation by imparting a healthy tone to all the secretions.

TEA ROLLS.—One pint of milk, one quart of flour, two tablespoonfuls of butter, or butter and lard, one half Vienna yeast cake. This makes the sponge. Let it rise, salt it, dissolve a very small quantity of soda, and put it into the sponge. Mix it with a quart of flour, and let it rise again, then cut out and put in pans, to rise very light before putting in the oven.

JAMES PYLE'S PEARLINE.—This preparation, advertised elsewhere, is really an excellent article for saving labour in washing. It takes the place of soap, sal-soda and other chemical preparations.

RICE PUDDING.—One-half cup of rice, boiled and sweetened; two eggs; one teaspoonful corn starch, one pint milk. Wet the corn starch with a little cold milk; add the beaten yolks of the eggs, and stir all into the boiling milk. When cooked, pour the mixture over the rice, covering it with the beaten whites of the eggs, and placing it in the oven a few minutes to brown slightly.

"MYSTERIOUS PEOPLE."

Celestial Children of the pig-tailed race! Scorned by us Easterns, who are yet obliged to face and bow before thy ingression! What do we owe thee? Nothing more or less than thy anti-Christian idea that gave to Caxton his Printing Press, who multiplied the Bible, that superstition killed and gave freedom to ourselves—and now to-day on Yonge Street loads with Books our groaning shelves. We owe this debt as well thy Hindoo brother for those fragrant, pungent leaves, that give light, health and pleasure to all who use the Li-Quor Teas. All grades from 50c. to 80c. a pound. A handsome volume, your own choice, from our catalogue, with every 3 pounds. **GEO. MANN & Co., Sole Wholesale Agents, 295 Yonge St., Toronto.**
