HALL'S VEGETABLE SICILIAN Hair Renewer.

Science does a popular remedy with such a strong hold upon the public confidence as has HALL'S HAIR RENEWER. The cases in which it has accomplished a complete restoration of color to the hair, and vigorous health to the scalp, are innumerable.
Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it as a dressing because it gives the hair a beautiful glossy lustre, and enables them to dress it in whatever form they wish. Thus it is the favorite of all, and it has become so simply because it discharges its duty.

Errors of Youth. SUFFERERS FROM Nervous Debility, Youthful Indiscretions, Lost Manhood, BE YOUR OWN PHYSICIAN!

Many men, from the effects of youthful indiscretions, have brought about a state of weakness that has reduced the general system so much as to induce almost every other disease. Another real cause of the trouble is severely over-exercising the system, they are exhausted for every-thing but the right one. Notwithstanding the many valuable remedies that medical science has produced for the relief of this class of patients, none of the ordinary modes of treatment effect a cure. Having our extensive experience and hospital practice we have experimented with all the celebrated new and economical remedies. The recuperating power of the system is a certain and speedy cure. As many cases of nervous debility have been restored to perfect health by its use after all other remedies failed. Perfectly pure ingredients must be used in the preparation of this prescription.
