

"THE MAGNETICON."

The Celebrated English Magnetic Appliances
FOR THE CURE OF DISEASE.

CANADIAN OFFICE:

125 CHURCH STREET, TORONTO.

Mr. Thos. J. Mason.

The Parsonage, South Caledon, August 25th, 1879.

DEAR SIR,—I am glad to report that the "Magneticon" obtained from you last May has been of immense service to me. After wearing the Belt and Sciatica appliance three days there was a marked improvement, and in from two to three weeks the pain had ceased. Since that time I have had no pain of any moment, although much in the saddle and exposed to the weather. I look upon this cure as remarkable, having been a very troublesome case of Sciatica of over two and a half years standing. Heartily recommending the "Magneticon,"

I am yours truly,

FRANCIS WAGLEY,
Pastor South Caledon Cong'l Church.

KERRIN, August 26th, 1879.

Mr. Thos. J. Mason.

DEAR SIR,—I informed you some time since of the benefit I had received from the "Magneticon" Chest Protector which you sent me from England, and having now given your Belt a thorough trial also, I am glad to say that it has quite relieved me of the weakness and pain so long sustained in my right side.

I have at the same time been carefully watching the effect of the "Magneticon" appliances upon a large number of others, being led to do so not only because of the benefit I had received but from their apparent adaptability to the requirements of such a diversity of cases, and the singularly good effects following the action of their gentle, constant currents of magnetism whenever applied. Among the instances thus noticed have been three cases of nervous and constitutional weakness; three cases of weak and affected lungs; two cases of neuralgia; two cases of bronchitis; two cases of swelling on the knee; four cases of lame back, rheumatism, etc. With each of the persons thus afflicted I have had a personal acquaintance, and in almost every case there has been a decided cure. I have much pleasure in thus bearing testimony to the value of your appliances, and am

Very truly yours,

S. JAS. ALLIN,
B. C. Minister.

Illustrated Pamphlets, containing Price Lists, Testimonials and all information are supplied free on application, or sent by post to any address. See also descriptive advt in former Nos. of this paper. The Appliances are sent by Post or Express, to any address, on receipt of price.

Address,

A Sweeping Reduction!

The reduction here announced in the price of *The Sunday School Times* puts that paper within the reach of every Sunday school in the land. It now becomes, unquestionably, the cheapest weekly paper of its size and character in the United States. It gives 832 large pages (11x16 inches) of reading matter a year, or over eight pages for a cent at its lowest club rate. It costs less than two cents a week for each member of a club of twenty or more persons. Schools that have been taking other publications because the club rates of *The Sunday School Times* were higher than they could afford, will not be slow to appreciate these new prices. The lowest rate heretofore for a club of less than thirty copies has been \$1.00 for each paper. Now the price for twenty copies, or over, is \$1.00 for each paper. The reduction is bold one, and even the present large circulation does not warrant it, but the change is desirable for the due extension of its field, and the necessary increased circulation *is sure to come*. Lower prices do not mean a poorer paper, or less of it,—on the contrary, it is purposed to make the paper better than ever before in all of its departments.

Here are the New Rates.—From one to four copies, \$2 each. From five to nine copies, in a package to one address, \$1.50 each. From ten to nineteen copies, in a package to one address, \$1.25 each. Twenty copies or more in a package to one address, \$1.00 each. These prices include postage, which is prepaid by the publisher. Subscriptions will be taken for any portion of a year at yearly rates. While the papers for a club must be sent in a package to one address, the publisher desires to have for reference the names of all the subscribers. He, therefore, requires that each club subscription be accompanied with a list of the names and addresses of the persons who are to use the paper.

Superintendents will remember that they can try the paper in their schools for a portion of a year at the yearly rate. Twenty teachers can be supplied for three months for five dollars. Why not begin now?

Any reader of this advertisement, who has never been a subscriber to *The Sunday School Times*, can receive it on trial every week for three months for twenty-five cents. Send also for a free specimen of *The Scholars' Quarterly*, a forty-four-page scholars' lesson help, containing a colored map, beautiful illustrative pictures, and a great variety of valuable lesson matter. Address,

JOHN D. WATTLES, Publisher, 725 Chestnut St., Philadelphia, Pa.

Keep this for reference.
