VOL. XIII.—No. 12.

MONTREAL, SATURDAY, MARCH 18, 1876.

{ SINGLE COPIES, TEN CENTS.
\$4 PER YEAR IN ADVANCE.

LET HER DIE—T.

DR. TUPPER: Believe me, Sir, your regime don't agree with her, she's wasting away. Some invigorating tonic and a good warm blanket would revive her.

DR. CARTWRIGHT: Nothing of the sort. Give her New York tea and Boston sugar, and cover her up with the old blanket, it's good enough for her. Keep her cool and diet her: that's my system.
