sion of the premises of F. Benyon, druggist, Toronto. The effects of John Wellington, furniture dealer, and M. Allan, confectioner, same city, have been sold out.

At a meeting of the creditors of Mrs. J. Wood, general dealer, Buckingham, Que., held last Friday, it was decided to advertise for tenders for the estate till Monday next. An offer of 60 cents in the dollar, as per inventory, was made at the meeting. The stock is valued at about \$3,400.—The estate of C. H. Vordingly & Co. was sold by auction yesterday; the stock and plant at 23 cents and book-debts at 15c. in the dollar. The direct liabilities are \$21,726; indirect \$21,106. The estate showed a nominal deficiency of \$2,400.

A PECULIAR case is now on trial in Minneapolis. The action is to recover premiums paid on a life insurance. The complaint alleges that the defendant became indebted to the plaintiff to the amount of \$2,000, to secure which the defendant had his life insured, agreeing to pay the premiums. This, however, the plaintiff says was not done, but to hold the insurance good he paid the premiums up to the present himself. In the meantime the debt was paid, and suit is now brought to secure the amount of premiums paid, aggregating \$543.

ROBERT FOSTER, of Emerson, Man., made some miscalculations a couple of years ago as to the requirements of the North-west in the matter of harness, and soon found himself over stocked. To work it off he opened branches at various points at different times. In the Spring of 1883 he found himself obliged to ask for an extension of six months, and business meantime has not been very prosperous. He now finds himself in a similar predicament and has just arranged for an extension of two years on his liabilities of about \$5,000, save some \$800 due the Federal Bank. Payments are to be made quarterly.

ELI SALYERDS, of Walkerton, Ont., hotel-keeper, who formerly carried on business in his wife's name at Mildmay, moved to Walkerton last January and rented the hotel known as Nauers. Last week he made an assignment with liabilities of about \$3,000. The bailiff however had seized goods on an execution of \$80, and the landlord claimed rent \$215. Salyerds called a meeting of his creditors, which took place the day after Scott's election, but as the Act had carried, Salyerds said he could not think of making an offer at all. The goods were then sold by bailiff, but did not realize enough to pay preferential claims. Mrs. Salyerds now carries on the business, having leased the furniture from the landlord.

ST. CLAIR BALFOUR

THE LIABILITIES of Messrs. I. & F. Burpee, wholesale hardware merchants, St. John, N.B., whose failure occurred last week, are placed at \$170,000, of which all except \$22,000 in Great Britain and about \$5,000 in Canada, are to the banks, on paper endorsed by Hon. Isaac Burpee and his brother (their father), E. R. Burpee, the latter for \$40,000. The assets are estimated at \$112,000. The two young men were placed in possession of a good business two years ago, but, through lack of proposed supervision, prevented by the ill health of their honorable Mentor—of a proper business training, and through outslightments, have brought matters to the present unfortunate pass. Three trustees have been appointed, Messrs. E. R. Burpee, Geo. A. Scholfield and W. E. Collier, who have placed a competent man in charge of the estate. The Hon. Isaac Burpee has been suffering from ill health for some time, and there are some fears as to the effect of the disaster upon him. It is confidently stated that, although not legally obliged to do so, he and his brother will pay the creditors in full.
