

NEWS AND NOTES.

NEWSPAPERS IN 1888.

From the edition of Geo. P. Rowell & Co's "American Newspaper Directory," published April 2nd (its twentieth year), it appears that the Newspapers and Periodicals of all kinds issued in the United States and Canada, now number 16,310, showing a gain of 800 during the last twelve months, and of 7,136 in 10 years.

The publishers of the Directory assert that the impression that when the proprietor of a newspaper undertakes to state what has been his exact circulation, he does not generally tell the truth is an erroneous one; and they conspicuously offer a reward of \$100 for every instance in their book for this year, where it can be shown that the detailed report received from a publisher was untrue.

The world is a looking-glass; frown at it, and it will frown back at you; smile at it, and it will give you smiles in return.

WORTH KNOWING.—One bottle of Johnson's Anodyne Liniment will effectually cure bronchitis, inflammatory sore throat, sore lungs, bleeding at the lungs, chronic hoarseness, hacking cough, whooping cough and lame stomach.

It is impossible to pass through life in any capacity without encountering some obstacles and vexations. But the point is to hold your composure, and our word for it, you will rejoice thereat, even in ten minutes afterward.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

An Irishman writing to a debtor says: "I confidently expected before this to receive from you an agreeable surprise."

HOW TO MAKE MONEY.—Twenty-five cents worth of Sheridan's Cavalry Condition Powders fed out sparingly to a coop of twenty-five hens will increase the product of eggs 25 per cent in value in thirty days.

'My child, what makes you such a bad girl?' 'Well, mamma. I s'pose God sent you the best children he could find. If they don't suit you, I can't help it.'

The Season for House Cleaning is nigh at hand, for which purpose there is nothing so effectual and convenient as James Pyle's Pearline.

For the Laundry, James Pyle's Pearline is invaluable. It cleanses the most delicate fabric without injuring it, and saves a vast amount of wearisome labor. For sale by grocers.

"One of the most perfect instruments for sound instruction concerning the Church that has been offered to Churchmen. The whole temper of the book is courteous, kindly and humble. This book ought to be in the hands of every Churchman. Of all books upon this important subject it is the most readable. It is popular and attractive in style, in the best sense. We commend it most heartily to every Clergyman for personal help and parochial use. We would, if we could, place a copy in the hands of every member of the English-speaking race. And we are assured that, once begun, it will be read with interest from preface to conclusion. No better text book could be found for a class of adults, who desire to give a reason for their faith, and be Churchmen in reality.—Church Record.
