In the matter of Life Insurance interests the "Union Mutual" is among the best Companies doing business in Canada. Last year this Company increased the amount previously at risk by \$1,100,000, being larger than any other Company local or foreign doing business in the country, and whilst other Companies may show a larger business for the year still the true test is the Balance between the figures at the Beginning and the Ending of the year, and judged from this stand-point, this old and progressive Company has taken the lead of all competitors.---KINGSTON DAILY NEWS.
