A REPRESENTATIVE AND CHAMPION OF AMERICAN ABT. Prospectus for 1875—Eighth Year. THE ALDINE, THE ART JOURNAL OF AMERICA,

"A Magnificent Conception, Wonderfully Carried Out."

The necessity of a popular medium for the repre-

sentation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failures which so invariably followed each attempt in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph—THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary peroidicals. It is an clegant miscellany of pure, light, and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number, affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, *THE ALDINE* is a unique and original conception-alone and unapproached-absolutely without competition in price or character. The possessor of a complete volume can not duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there is the chromo, besides!

The national feature of THE ALDINE must be taken in no parrow sense. True art is cosmopolitan. While THE ALDINE, is a strictly American institution, it does not confine itself entirely to the reproduction of native art. Its mission is to cultivate a broad and appreciative art taste, one that will discriminate only on grounds of intrinsic merit. Thus, while placing before the patrons of THE AL-DINE, as a leading characteristic, the productions of the most noted American artists, attention will always be given to specimens from foreign masters, giving subscribers all the pleasure and instruction obtainable from home or foreign sources.

The artistic illustration of American scenery, original with THE ALDINE, is an important feature, and its magnificent plates are of a size more appropriate to the satisfactory treatment of details than can be afforded by any inferior page. The judicious interspersion of landscape, marine, figure, and animal subjects, sustain an unabated interest, impossible where the scope of the work confines the artist too closely to a single style of subject. The literature of THE ALDINE is a light and graceful accompaniment, worthy of the artistic features, with only such technical disquisitions as do not interfere with the popular interest of the work.

PREMIUM FOR 1875.

Every subscriber for 1875 will receive a beautiful portrait, in oil colors, of the same noble dog whose picture in a former issue attracted so much attention. "Man's Unselfish Friend"

will be welcome in every home. Everybody loves such a dog, and the portrait is executed so true to the life, that it seems the veritable presence of the animal itself. The Rev. T. de Witt Talmage tells that his own Newfoundland dog (the finest in Brooklyn) barks at it! Although so natural, no one who sees this premium chromo will have the slightest fear of being bitten.

Besides the chromo every advance subscriber to THE ALDINE for 1875 is constituted a member,

and entitled to all the privileges of THE ALDINE ART UNION.

The Union holds the originals of all THE ALDINE pictures, which, with other paintings and engravings, are to be distributed among the members. To every series of 5,000 subscribers, 100 different pieces, valued at over \$2,500 are distributed as soon as the series is full, and the awards of each series as made, are to be published in the next succeeding issue of THE ALDINE. This feature only applies to subscribers who pay for one year in advance. Full particulars in circular sent on application enclosing a stamp.

DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is un der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boardina School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank-now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country.
With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of th students committed to their care
