No day without one act of love,' was the maxim of the benevolent and Christian Lava'er. How many real woes would this relieve; how many fancied ones put to flight:

These fellow mortals, every one, must be accepted as they are ; you can neither straighten their noses, nor brighten their wit, nor rectify their dispositions and it is these people, among whom your life is passed, that it is needful you should tolerate, pity, and love; it is these more or less ugly, stupid, incon sistent people, whose moments of goodness you should be able to admire -- for whom you should cherish all possible hores, all possible patience.

COUGHS AND COLDS.

Sudden changes of climate are sources of Pulmonary, Bronchial, and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should be at once had to Brown's Bronchial Troches,' or Lozenges. Few are aware of the importance of checking a cough, or common cold,' in its first stage. That which in the beginning would yield to a mild remedy, if neglected soon attacks the Lungs. Brown's Bronchial Tioches,' or Cough Lozenges, allay irritation which induces coughing, having a direct influence on the affected parts. As there are imitations, be sure to obtain the genuine. Sold by all dealers in Medicine. at 25 cents a box. May, 1866.

#### MOTHERS! MOTHERS!! MOTHERS!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. Winslow's Scotting SYBUP. It will relieve the poor little sufferer immediately-depend upon it: there is no mistake about it: There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price 25 cents. Sold everywhere. May, 1866.

A MOMENTOUS QUESTION FOR THE SICK! - This vital question, involving the bodily health of tens of thousands, is submitted to all who suffer from dyspepsia, costiveness, bilious complaints, general debility, or any other disease originating in the sto-mach, the liver, or the bowels. Will you persist in drugging yourself with drastic mineral purgatives, that weaken, rack, and destroy the internal system, or will you accept certain, swift, and permanent re-lief through the medium of BRISTOL'S SUGAR-COATED PILLS, a vegetable cathartic, which controls disease without depreciating the physical strength, is absolutely painless in its operation, and actually removes that necessity for continual purgation, which all the violent and depleting purgatives create? If you desire to enjoy the blessings of a good appenite, a vigorous digestion, a sound liver, regular excretions, and the mental calm which results from this conjunction of healthful conditions, BRISTOL'S SUGAR-COATED PILLS will realize

your wish. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARIL-LA should be used in connection with the Pills.

A PROVERB ILLUSTRATED. - Sancho Panza's maxim, that 'you cannot make a silk purse out of a sow's ear, is well illustrated by the futile attempts to get up acceptable perfumes on the cheap plan. Num. District of Montreal. bers of adventurers have thus endeavored to simulate MURRAY & LANMAN'S FLORIDA WATER; but what pitiable and ridiculous failures they have made! The very recollection of them is offensive to those who have once inhaled their sickly odor. -Nothing but a combination of the rarest fioral extracts, of which the imitators do not even know the names, can produce that exquisitely refreshing fra-grance which has obtained for MURRAY & LAN-MAN'S FLURIDA WATER, a fame as undying as

Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine.

HEREDITARY DISEASE. - The lives of thousands are blighted by hereditary scrofula. Yet it is curable. An alkeli does not more certainly neutralize an acid than BRISTOL'S SARSAPARILLA deprives the acrofulous and syphilitic virus of its sting. It is the only antiseptic which will arrest ulcerous maladies of the virulent class, and prevent the possibility of their being transmitted to the next generation. The patient is cured constitutionally, and becomes as sound in every fibre, as though he had never known disease. Of course, to effect so great a change, it is necessary to continue the use of the Sarsaparilla a number of months. BRISTOL'S VEGETABLE PILLS should at same time be used in moderate doses.
