The following table shows the course of the principal loan accounts during recent years:—

The loan accounts as a whole show a general increase over one year ago. Large war orders and other demands on industry have acted strongly on this department of banking.

UNION OF BRITISH COLUMBIA MUNICIPALITIES

A convention of the Union of British Columbia Municipalities is to be held on September 18th, 19th and 20th in Penticton, B.C. One of the principal subjects of discussion will be the Provincial Municipal Act, and it is probable that a new act in the draft form will be considered. One of the features of the new act may be the elimination of local improvement taxes.

Mr. W. W. Cory, Canadian deputy minister of the interior, has arranged with the United States employment service, to have a large number of harvesters brought from the United States to Western Canada to aid in harvesting the Canadian crops.
