Mercantile Summary.

THE woollen manufacturers of the United States will reduce their production 25 per cent. for three months from now.

NEW YORK is to try and secure the butter trade of the South American markets, at present supplied by England. Why not Canada?

A good grindstone quarry at Point Brule, N. B., has been purchased by some St. John gentlemen, who will proceed to get out grindstones, our supply of which has hitherto come largely from Ohio.

SOME forty of the Swiss residents of Montreal have petitioned the Federal Council of Switzerland for a Consulate in that city. It is probable that Mr. Rey will be appointed Consul, and Mr. Bucher (the present German Vice-Consul), the Swiss Vice-Consul.
