NOTES.

(a) Steinitz considers this the best form of attack in this opening.
(b) Somewhat premature, as it leaves the K P weak.
(c) Here Black could have equalized matters by P-K 4, for if White replies with 20, B-Q 5, then Black plays Kt-Q 5 and obtains the advantage.
(d) This hastens defeat, but Kt-Q 5 or P-R 4 would have been equally fatal.
(e) The prettier way of winning, though not shorter, would have been R-K 4.

Chronic

Catarrh destroys the sense of smell and
taste, consumes the cartilages of the nose,
and, unless properly treated, hastens its
victim into Consumption. It usually in-
dicates a scrofulous condition of the sys-
tem, and should be treated, like chronic
ulcers and eruptions, through the blood.
The most obstinate and dangerous forms
of this disagreeable disease

Can be

cured by taking Ayer's Sarsaparilla. **I
have always been more or less troubled
with Scrofula, but never seriously until
the spring of 1882. At that time I took a
severe cold in my head, which, notwith-
standing all efforts to cure grew worse,
and finally became a chronic Catarrh.
It was accompanied with terrible head-
aches, deafness, a continual coughing, and
with great soreness of the lungs. My
throat and stomach were so polluted with
the mass of corruption from my head
that Loss of Appetite, Dyspepsia, and
Emaciation totally unfitted me for busi-
ness. I tried many of the so-called spec-
ifics for this disease, but obtained no
relief until I commenced taking Ayer's
Sarsaparilla. After using two bottles of
this medicine, I noticed an improvement
in my condition. When I had taken six
bottles all traces of Catarrh disappeared,
and my health was completely restored. —
A. B. Cornell, Fairfield, Iowa.

For thoroughly eradicating the poisons
of Catarrh from the blood, take

Ayer's Sar saporilla.

saporilla. It will restore health and vigor
to decaying and diseased tissues, when
everything else fails.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

Catarrh

Is usually the result of a neglected "cold
in the head," which causes an inflam-
mation of the mucous membrane of the
nose. Unless arrested, this inflammation
produces Catarrh which, when chronic,
becomes very offensive. It is impossible
to be otherwise healthy, and, at the
same time, afflicted with Catarrh. When
promptly treated, this disease may be

Cured

by the use of Ayer's Sarsaparilla. **I
suffered, for years, from chronic Catarrh.
My appetite was very poor, and I felt
miserably. None of the remedies I took
afforded me any relief, until I commenced
using Ayer's Sarsaparilla, of which I
have now taken five bottles. The Catarrh
has disappeared, and I am growing
strong and stout again; my appetite has
returned, and my health is fully restored.
—Susan L. W. Cook, 909 Albany street,
Boston Highlands, Mass.

I was troubled with Catarrh, and all its
attendant evils, for several years. I tried
various remedies, and was treated by
a number of physicians, but received
no benefit until I commenced taking
Ayer's Sarsaparilla. A few bottles of
this medicine cured me of this trouble-
some complaint, and completely restored
my health and strength. —Jesse Boggs,
Holman's Mills, Albermarle, N. C.

your system more rapidly and surely than
by any other medicine, use Ayer's Sar-
