ONE OF NEPTUNE'S HARDY SONS UNBURDENS HIS SURCHARGED SOUL!

(The following "document" has been returned to "C" Coy. Orderly Room from the Dead Letter Office. As the Sapper to whom it is addressed has long since "gone over the hill", we feel justified in giving it publicity in "Knots and Lashings". We may add that not a line nor letter of the original manuscript has been altered. We would hate to meet the writer on a dark night. Let the Kaiser beware. While at the E. T. D., the Sapper to whom the letter is addressed, travelled under the thrilling "nom de guerre" or alias of "Red". Hence the derivate "Read".)
