**Community declaration concerning Article XI of the Agreement on fisheries
between the Government of Canada and the European Economic Community**

Pursuant to the wish expressed by the Government of Canada, the Community confirms that it considers Article XI of the Agreement, which incorporates provisions that are traditionally used in agreements concluded between the European Economic Community and third countries, as having no bearing upon the question of the legal status of the economic zone, currently under discussion at the Third Conference of the United Nations on the Law of the Sea.
