

ARTICLE 9

Use of Airports and Aviation Facilities

1. The charges imposed in the territory of one Contracting Party on a designated airline of the other Contracting Party for the use of airports and other aviation facilities shall not be higher than those imposed on a national airline of the first Contracting Party engaged in similar international services.
2. Each Contracting Party shall encourage consultations between its competent charging authorities and the designated airlines using the services and facilities, and where practicable, through the airlines' representative organizations. Reasonable notice should be given to users of any proposals for changes in user charges to enable them to express their views before changes are made.
3. In the use of airports, airways, air traffic services and associated facilities under its control, neither Contracting Party shall give preference to its own or any other airline over an airline of the other Contracting Party engaged in similar international air services.
