

COLLEGIATE TERMS.

The School year is divided into **THREE TERMS**, which commence and terminate as follows:—

1ST TERM:—20th January to the Thursday before Easter.

2ND TERM:—The second Tuesday after Easter to the 30th of June.

3RD TERM:—1st of September to the 22nd of December.

Every Pupil will be required to return without fail on the day appointed for the re-opening of the School after a vacation, as unpunctuality not only sets a bad example but deranges the entire work of the classes. Fines, after the system of the public schools in Europe, will be inflicted on every boy who fails to appear at the appointed time, unless he produces a *bona fide* certificate of ill health, or other unavoidable accident.

PRIZES.

A liberal number of Prizes will be awarded at the Annual Examination before the Midsummer Vacation, in the disposal of which regard will be had to the general conduct, as well as to the work of the various competitors during the preceding year. Special encouragement will be held out for the cultivation of truthfulness and high honor; of manly and generous qualities among the boys in their intercourse, whether IN or OUT of school.

SCHOLARSHIPS for the Universities will be founded as the Collegiate Institute progresses.

THE BUILDINGS, GROUNDS, ETC.

The COLLEGIATE INSTITUTE is situated near the City, on a beautiful Site, in the most healthy locality, and stands in TEN ACRES of ground.

The NEW and EXTENSIVE BUILDINGS contain several spacious CLASS ROOMS; a large DINING HALL; LIBRARY; MUSEUM; DORMITORIES; and BATHS supplied with HOT and COLD water, for the use of the Boarders. The whole PREMISES have been planned and arranged with a special view to secure the CONVENIENCE, COMFORT and HEALTH of the occupants, in accordance with the most modern improvements, as respects WARMTH and VENTILATION.

A SANATORIUM has been arranged, isolated from the rest of the Buildings, where Pupils, in case of sickness, will receive the best medical attendance.

The GROUNDS (fenced in) comprise CRICKET FIELD, GYMNASIUM, FIVE'S COURT, COVERED SHED for wet weather, etc., and every encouragement will be given to the pursuit of manly and healthy games, under careful superintendence.

REMARKS, ETC.

1. To insure EARLY ADMISSION to the Collegiate Institute, it is necessary that timely application be made to the Head Master; as from the number of Scholarships already taken up, it is expected that the vacancies at his disposal will be limited; and a considerable interval may elapse before a pupil, entered on the books, can actually be admitted.

2. The CLOTHES brought by each pupil must be according to the regulation list appended.

3. A REPORT by the Head Master, of the pupils severally, with regard to proficiency in their studies and their general conduct, will be transmitted to their Parents or Guardians at the end of each term.

4. Parents are requested not to send with their boys, or to allow them to bring, *Novels or works of Fiction*, Independently of the pernicious effects upon a boy's mind produced by such indiscriminate reading, the invariable result is that *School Lessons are neglected*. A SCHOOL LIBRARY, to which the pupils are required to subscribe £2 per annum, will be provided for their use; and it will be furnished with such interesting works as will be suitable and profitable for a boy's reading.

5. Boys will be allowed unrestricted liberty in corresponding with their Parents and Friends. If letters are sent home badly written, or carelessly spelled, the evil might be checked if any glaring examples were forwarded to the Head Master.

6. Parents are earnestly requested not to furnish their sons with a large supply of POCKET MONEY, as this practice tends to foster extravagance. Parents would do well to authorize the Head Master to give a fixed sum for pocket money every week, on a scale graduated to a boy's position in the school, with power to increase it in cases of industry and good conduct.

Application for admission, and for all further particulars, to be made to
