## Note and Comment

Many total baseball fans noted with regret that Fred Mitchell was secured by Hochester from the New York Amparicans when they thought his natural return trip to the minors should have been by way of Toronto, as it was here he made good as a backstop. However, a comparison of the records of Mitchell and Ed. Phelps, secured from the St. Louis Nationals, who will do the bulk of the catching for the Leafs, is all in favor of the latter player. Here are some figures concerning the work of the two men last season with St. Louis and New York:

Some comment has been heard in Hamilton on the fact that the provincial treasurer's new race course taxing bill calls for only ten dollars a day for running meetings. Why there should be this marked difference is naturally puzzling some people, but Ism't it possible, asks The Times, the worth volonel chose this way of dealing with the matter.

McFarland was always there with clean punch, and when Moran reached for him he found the Chicago boy most clusted. Both fighters weighed in at 135 pounds at five o'clock, but those at the ringside gave the Chicago man a slight advantage in weight when the fight started.

The Fourteenth Round.

SAN SEBASTIAN, Spain, March 14.—
Before the beginning of play to-day in the fourteenth round of the international chast courney, it was announced that Duras beat Marshall vesterday in the thirteenth round. It had been erroneously reported that Marshall and Duras had played a draw game. The results of today's play were as follows: Duras beat Burn, Niemzowitsch drew with Marshall, Maroczy drew with Vidmar, Capablanca drew with Teichmann, Spielmann drew with Rubinstein. The games between Leonhardt and Tarrasch, Schlechter and Bernstein were adjourned. Janowski had a bye. Adjourned games will be played to-morrow, while the fifteenth and final round is scheduled for Thursday. The Player.

Nick Carter, the sturdy Toronto home player, is the next man mentioned as one of Harry Griffiths' finds. Nick is certainly a great lacrosse player, and the kind of man that is bound to make a success on a western team, where they hand out some pretty hard bumps.

Edmonton, Medicine Hat, Lethbridge and several other towns in Alberta are anxious to form a lacrosse league. Things look as the lacrosse is due for a boom in Alberta.

P. J. Hartney of Vancouver has offered a cup for the team scoring the most goals in the league games this season.

A Vancouver despatch says: That the old, original Maple Leaf Lacrosse Club intends to be a big factor in the competition for the towns in Alberta.
