A Purchase Out-of-the-Ordinary  
Makes a Sale ExtraordinaryIn \$4.00 and \$5.00 Values in  
MEN'S BOOTS

It was well worth a little trip to the eastern shoe markets when we received a "tip" that one of the best known of American makers had something like three thousand (3,000) pairs of fine hand-made boots for men on his "cancelled orders" list, and which he was willing to sacrifice to the first shoe man who could handle the whole lot at a price. We took his dare, and you men who really appreciate buying the best of the best in quality, and the newest of the new in style, have your chance here and now.

3,000 pairs of men's boots in a special sale, all leathers; tan and black, all styles, laced and buttoned; snappy, smart, dressy; military heels and low heels, medium and heavy soles, all Goodyear welts, newest toes; an out of the ordinary lot, and at an extraordinary bargain price. \$4.00 and \$5.00 values

EATON'S  
Ready With Your Prism  
Bino-cular

Racing men, yachtsmen, tourists—a good binocular is in demand by all. The chief advantages of prism binocular field glasses are their compactness, size, field of view, power of definition. In purchasing a binocular it should be remembered that power is not the only consideration.

The durability of the glass, its size, weight and general fineness of power, the definition of the picture, the illumination, and the adjustment of the optical parts are all matters of importance. It is an invariable rule that as the power of the binocular increases so its field of view decreases. As a general rule, also, the illumination or preliminary of the picture becomes less as the power becomes higher.

Let us explain these points with reference to the fine new stock of binoculars just come to us. They are from some of the best French manufacturers, as well as the Goetz, Leitz, Zeiss and Leimair. A few of our prices are:

8 power Leitz ..... 36.00  
8 power Leitz, with large aperture ..... 40.00  
10 power Leitz ..... 50.00  
12 power Leitz ..... 52.00  
8 power Busch, with large aperture ..... 40.00  
10 power Busch, Terlux ..... 52.50  
15 power Busch, Terlux ..... 58.00

All these glasses have the central focussing screw arrangement for adjustment of the pupillary distance and the eyepiece adjustment. Each glass is in a solid leather carrying case.
