## VARSITY AGAIN NO MATCH FOR M'GILL

Long Lead Early and Thereafter Played Safe.

The Varsity football players and track team returned yesterday from Montreal after an entirely satisfactory mission. True, the wins were against them one to two, and that victory did not amount to much, The Varsity seconds defeated McGill's seconds in the first of the home and home games for the intermediate interscholastic championship, score, 19 to 14. The seniors were no match for McGill, but were hardly beaten as badly as the score would indicate, 21 to 1. The track team finished only two points under McGill, Queen's and R.M.C. nowhere.

The weather was cold and the field hard, looking almost dangerous, but no injuries resulted, and there was no rough play. McGill earned the rugby championship, They won about as easily as in Toronto, but differently. Dr. John Haslett, the referee, and Umpire Sinc McEvenue announced before the game that they would not tolerate illegal interference and the stuff that Sliter let go here was hardly—attempted at Molson field.
