residue of our most popular winter  
lines, being good value at their marked  
prices, but as the range of sizes is no

**ADAM BECK AT LONDON.**  
"Minister of Power" Addresses the  
Board of Trade.  
LONDON, Nov. 28.—(Special).—Hon.  
Adam Beck addressed the board of  
trade to-night. He is optimistic and be-  
lieves all the power bylaws will carry.  
Someone in the audience asked what  
the government would do for the London  
Electric Light Company.  
Beck replied that if they had pro-  
vided a sinking fund, as they should  
have done, they would not need to care  
how their plant went to the scrap  
heap. The government did not insure  
against careless business methods.  
**LABOR MEN TO RUN.**  
Newly Organized Party Will Place  
Two Aldermanic Candidates In Field.  
The aldermanic candidatures of John  
Gardiner, secretary of the Trades Union,  
and J. H. Jenkins, who occupies  
a like position in the Plumbers  
Union, were endorsed at a meeting of  
the "Independent Labor Party" held in  
the Labor Temple last night.  
Each will seek election in the Fifth  
Ward.  
**CUISINE NEWS.**

**MAN RUN DOWN.**  
Driver of Wagon Goes on The Victim  
Cries Loudly.  
R. Nell, 416 Huron-street, was run  
down and over by a covered Dominion  
Express Company wagon at Queen and  
York-streets at 5 o'clock last night.  
The front wheel passed over his arm and  
he was dragged about 15 feet before the  
second wheel went over him.  
The driver of the wagon did not stop  
or look out, altho the man was scream-  
ing loudly. A considerable crowd gath-  
ered about the man lying on the pave-  
ment for ten minutes until he was re-  
moved to St. Michael's Hospital in  
Matthews & Co.'s private ambulance.  
He was seriously hurt.  
**TELLS HOW THE HOME  
MIXTURE IS PREPARED**  
Simple Prescription Which is Easily  
Mixed at Home to Cure the Kid-  
neys and Bladder.  
A large health publication tells its  
readers of a number of simple and  
safe prescriptions that can be made  
at home. The following, however, for  
the cure of rheumatism and kidney  
and bladder troubles receives the  
greatest praise, viz., Fluid Extract  
Dandelion, one ounce; Compound  
Kargon, one ounce; Compound Syrup  
Sarsaparilla, three ounces. These  
simple, harmless ingredients can be  
obtained at any good prescription  
pharmacy at little cost and are mixed  
by shaking well in a bottle.  
The dose for adults is one teaspoonful  
after each meal and at bedtime, drink-  
ing a full tumblerful of water after  
each dose. It is further stated that  
this prescription is a positive remedy  
for kidney trouble and lame back,  
weak bladder and urinary difficulties,  
especially of the elderly people, and  
one of the best things to be used in  
rheumatic affections, relieving the  
aches and pains, and reducing swell-  
ings in just about one week.  
In some well-known local druggist states  
that this mixture acts directly upon  
the eliminative tissues of the kidneys;  
cleanses these spongy organs and  
gives them power to sift and strain the  
poisonous waste matter and uric  
acid from the blood which is the cause  
of rheumatism.  
Cut this out and hand to some suf-  
ferer which would certainly be an act  
of humanity.  
**Waylaid and Robbed.**  
PETERBORO, Nov. 28.—(Special).—  
Isaac Hetherington, a milk vendor, was  
returning to his home in Smith Town-  
ship last night when he was attacked  
by two masked men and badly beaten.  
He was robbed of \$200.  
Hetherington's injuries are so seri-  
ous that he will be laid up for some  
weeks.  
**Toronto Water Rates.**  
Water-takers are reminded to pay  
their rates early, secure the discount  
and avoid crowding.  
**IF MORAL SUASION FAILS  
ALLIANCE PROSECUTES**  
Government Assistance Always—  
Change in Law for Appeals  
is Wanted.  
The twelfth annual meeting of the  
Ontario Lord's Day Alliance was held  
yesterday at St. James-square Presby-  
terian Church, J. K. McDonald, the  
retiring president, in the chair.  
Dr. C. J. Copp, the treasurer, reported  
contributions from all sources of  
\$7278, and a balance carried forward  
of \$619. The disbursements included  
\$3000 paid to the Dominion Alliance,  
\$805 for travelling expenses, \$1500 salary  
of the secretary, Rev. T. A. Moore, and  
\$238 for postage and other expenses.  
John A. Paterson, K.C., mentioned in  
detail the various prosecutions which  
had been undertaken during the year.  
Prosecution of the Port Arthur and  
Fort William Electric Railway was  
pending, as was also an appeal against  
Judge Morson's ruling on the sale of  
confectionery on Sunday. The G.T.R.  
Company had been fined at Holstein \$200  
for a breach of the Lord's Day Act, but  
an appeal on a technical point will be  
heard next week.  
It was very gratifying to the asso-  
ciation to know that the Dominion  
Government was taking steps to pro-  
secute these offenders, and had always, when  
ever occasion offered, assumed the  
responsibility of prosecution.  
Crown Always Prosecutes.  
Rev. Dr. Shearer laid emphasis on  
the fact that for years this association  
had not been required to enter the  
courts as prosecutor in these cases, but  
they never ceased to be a source of  
concern unless the offences were most flag-  
rant and moral suasion proved to be  
wholly ineffectual. The association was  
not a detective agency. Sunday law-  
breakers in these factories had become very

result was that some thirty of the
