GENTLEMEN

I have pleasure in presenting the Annual Report.

In taking up the work of the year, I have been assured that you will be interested in the painstaking efforts of the teachers, and the influence of the school on the community, and which will be during the course of the year. The satisfaction of the successful management of the year. More efforts were expended with a view to fulfilling the means will be up their position. We have a large number of pupils, and to this work it will rank high in the Province.

The following

Name

1. James L.
2. Alfred L.
3. Robert L.
4. Frank L.
