Dymert's Good Stake Horse Captures Hamilton Derby

Sager was Second and William Pitt Third—Jack Atkin Breaks Track Record in First Race.

HAMILTON, June 18.—(Special.)—This was the opening day of the Hamilton spring meeting, and was one of the biggest days that the Hamilton Jockey Club ever had. Three trains from Toronto carried about 2000 people. There were eight races on the card, including the Hamilton Derby and the stephencase as the feature of the day. The stephencase was a disastrous race, only five horses going the course without a mistake and was won by John Dillon after a furious drive all down the stretch. Jack Atkin took the first event easily, setting a new track record for three-year-olds, running the distance in 1:20. The old mark was held by Ethon and Guy Fisher—1:12 1/2.

With event on the card was the Hamilton Derby. Polls and Bahives being the only ones to decline to go. The betting opened with Fullin and Sager at 2 to 1 split favorites. Don Antonio was next at 3 to 1, but was backed down half a point. The odds for the post favorite at that price. The field got away to a good start with Detroit first to show, followed by Chief Kee, Sager, and Fullin. Chief Kee was close up with the rest of the field at a length or two back. Musgrave, on Chief Kee, began to ride just welling for home, and caught Sager in the stretch, drawing away with a rush, and won going a yard and a half. Chief Kee was shown a good performance, and was the best with his heavy import. Sager ran well, but could not stand off the rush of the winner. William Pitt also ran a nice race, and finished with a good margin. Fullin ran very bad race, was close up, but tried in the run, and also did not do Don Antonio.
