

Miscellaneous Remarks applicable to both Academies.

All who design to become Students in either Branch of the Institution, should enter, if at all possible, at the commencement of the Term, as the regular classes are then organized; pupils, however, will be received at any time. The only pre-requisites for admission into the Primary Department are a good moral character, ability to read and spell, and age sufficient to enable the pupil to prepare regularly for recitation.

Students in good standing can receive an honorable dismissal from the Institution at the end of the Examination at the termination of any term, and at no other time, except in special cases.

Parents and guardians are respectfully requested to write to the Principal, should they find it necessary to recall a student in Term-time.

Persons who may not wish to pursue either course regularly, will be allowed to enter any of the Classes, in order, for which they are qualified; but where there is no inclination or desire on the part of the parents and guardians of the youthful students, dictating a modified course, they will be examined, and have their places assigned in the Department which they may be prepared to join, and they will be required to pursue the regular course, as above given, while they may continue in the Institution.

Parents are particularly requested to send every article of clothing marked with the name of the pupil in full.
