

## Choir Report.

---

It affords me pleasure to report my choir in a healthy condition. During the past year we have been by no means inactive. But few people realize what it means to belong to a choir; the constant attendance, rain or shine, Sabbath after Sabbath, and also at our regular rehearsals, means sometimes great inconvenience to some of our members. However, I am glad to say that they have been faithful to their duties, and at all times ready to assist me in making our services helpful. Besides our regular duties we have attended many extra services, for which special music was provided. Our two regular yearly concerts were very successful, not only musically, but also financially, the church being crowded to the doors on both occasions. The collections taken at these "Services of Praise" amounted to (April 11th) \$89.88, and (Oct. 12th) \$73.13, which, after deducting expenses, were handed to the church treasurer.

Faithfully yours,
