BOSTON BRAVES' PROTEST FAILS

Objection to Brooklyn's Win July 4 is Turned Down by Heydler.

New York, Aug. 20.—The Boston National League club's protest of Brooklyn's victory in the second game of a double-header at Brooklyn, July 4, was denied Saturday by John A. Heydler, president of the league.

The protests by Boston hinged upon a home run allowed Fournier, Dodgers first baseman in the sixth inning. Fournier's drive struck a flag attached to a staff on top of the right field wall, became inwrapped in its folds for a moment and then dropped back into the playing field. Umpire Hart ruled the hit a home run.

Boston claimed that the flag was part of the playing field and that the hit therefore did not go out of the park, but President Heydler citing several precedents, decided that the flag was an obstruction beyond the actual limits of the playing field, thereby sustaining the ruling of the umpire.

BELYEA TO ROW AT MILLIDGEVILLE

Decides Against Toronto Trip—Awaiting Word from Codman.

That Hilton Belyea will not go to Toronto to race, but will remain in St. John to defend his title of champion in the Maritime meet at Millidgeville on August 28, was the news received by The Times today. Mr. Belyea explained that he had received a wire from Coach Wright on Saturday evening saying that he had received word from Gilmore, Canadian champion, that he was withdrawing from the special race and that he had not received any reply from McGuire, U. S. national champion. As a result, Hilton decided to remain at home and appear in the fall aquatic meet which is to be held under the auspices of the Millidgeville Outing Club.

W. H. Turner, president of the Millidgeville Outing Club, said this morning that he has not as yet received any reply from Russell Codman, Jr., of Boston, with reference to his invitation to come here to compete in the championships, but expected some word later in the day. In connection with the championships he said his committees were working hard arranging for the big event, and full details would be announced as soon as they complete their plans.

ORDERS NEGRO DOCTORS TO TUSKEGEE HOSPITAL

Director Hines, After Hearing Protests of Whites, Sustains the Former Decision.

Washington, Aug. 20—After several conferences with white residents of Tuskegee, Ala., who have protested against the installation of negro personnel at the veterans' hospital there, Director Hines of the Veterans' Bureau has selected six negro physicians for duty in the institution and expects them to leave for their posts within the next week or ten days.

The present white commanding officer will remain for the time being, but Mr. Hines said that the original policy of installing a complete negro personnel had not been changed.

EXCITEMENT ON NORTH END PARK

Good Baseball But Disputes With Umpire in Saturday Contests.

The two games played in the Two-I League on Saturday between St. Peter's and the Vets produced sensational plays, excitement in abundance and frequent and violent arguments with Umpire Benson and Gilfillan chief umpire baiter. The afternoon game was won by St. Peter's by a score of 5 to 3, while the evening contest went to the Vets, 4 to 1. In the afternoon Price was in great form and, backed by stellar support, kept the heavy hitting Vets scoreless until the eighth inning when an error paved the way for three runs. McElroy, the Vets' recent importation was not in the best of form during the afternoon game and walked ten men. He appeared to have lost control of his "spitter" and his own wildness was largely responsible for his defeat.

In the evening McElroy went back again for the Vets and although touched for eight hits managed to keep them well scattered and not only won his game, but made a much more impressive showing than in the afternoon. King, too, was in top form and the game was good until disputes arose. Benson called two balls hit down the right field line fair, while it was apparent to all in a position to see them that they were foul. This caused a storm of protest, first on the part of the Vets and secondly on the part of St. Peter's. Then in the first of the seventh, with two out Dever was on third base and Mooney on second when McCarthy came to bat. Dever started to steal home and as he did Gilfillan stepped forward to intercept the throw and McCarthy started to swing at the ball. In the mix-up Gilfillan contended that McCarthy had interfered and on the other hand St. Peter's held that the Vets' catcher had stepped out of his box. Umpire Benson ruled McCarthy out for interference and immediately he was surrounded by excited players. At this stage the game was called and, but the fans hung around arguing about the play. The whole play hinged on judgment on the part of the umpire. If he considered it a thrown ball to catch the runner then McCarthy was out, but on the other hand if it was a pitched ball then McCarthy should have been sent to first base on account of Gilfillan's interference and the run should have counted. The box scores and summaries of the games follow:—

BOTH LOST BY ST. STEPHENS

Baseball Games Played Here Go to Trojans and Royals.

The St. Stephen amateur baseball team lost both games here Saturday. In the afternoon game the Trojans defeated them by a score of 5 to 3, and in the evening the Royals shut them out 12 to 0. Both games were played on the South End diamond. In the afternoon game the visitors played well, and for a time it looked as if they would shut-out the Trojans, but the latter team staged a batting rally towards the end of the game and won out. Daly, Kerr and Cox formed the battery for the locals and Duplisea, Clarke and Middlemiss for the visitors.

In the evening contest the Royals outclassed their opponents both in hitting and general all around playing. Nelson, who was on the mound for the locals, held his opponents to six hits, while Clarke, Duplisea and Boles were touched for fifteen.

SAM LANGFORD PRESSING WRINKLES FROM CLOTHING

El Paso, Tex., Aug. 20.—The hefty right hand which has landed many a hard blow on white and black skins alike, is now pressing the wrinkles from trousers and coats of whites and blacks alike.

Sam Langford, veteran negro pugilist, is running a tailor shop here. Sam doesn't claim to be a regular tailor, but he says his left eye is still good and his right hand strong enough to wield a sad-iron. He is hoping for a match in Enid, Oklahoma, on Labor Day.

"If I win, I might get out of the ring for good, if the pressing business gets better," he said.

We thought "The Third Alarm" had reached the limit of thrilling realism and dramatic tension but "Hearts' Aflame" is truly the last word in spectaculor destruction and incidental heroics. It is a great surprise to film folks as it will be to the public at large. The story back of the forest fire is a spirited tale of lumber financing, love and attempted theft of timber property.
