PORT NEWS OF A DAY; HOME AND ABROAD

BOWLING.

Games Last Evening.
In the Wellington league the Trocans took three points from Macaulay's. The winners totaled 1922 and the losers 1292.
In the Y. M. C. A. league last evening the Riverdales took four points from the Crescents. The winners totaled 1278 and the losers 1222.
In the Clerical league R. P. & W. F. took three points from McCarty's. The winners totaled 1232 and the losers 71.
A girls' bowling team representing the Roma Candy Co., Ltd., took four points from a girls' team representing Macaulay's. The winners totaled 1098 and the losers 1034.
In the Commercial league the Sugar finery took three points from the C. R. The winners totaled 1347 and the losers 1401.
In the City league the Lions and Nationals split even, each taking two points. The winners totaled 1483 and the losers 7.

QUATRIC.

English Eight to Complete in C. N. E. Regatta.

There will be an Aquatic Day at the Canadian National Exhibition in 1922, the Dominion Regatta Association officials are stated that the C. N. E. authorities have added to their wishes his respect. An effort will be made to have a powerful English crew as well as the United States national champions Yale and Harvard compete. Invitations will be sent to the U. S. universities and it is anticipated that either Oxford, Cambridge or some other leading club in England will also be present.
It is planned to hold the one-day regatta during the first week of the exhibition, and, in addition to the rowing, there will be canoe races. The local paddlers will compete in the Canadian Canoe Association regatta. Special prizes will be offered to the winning oarsman and canoe.

Coming of the U. S. and English rowing will place rowing on a higher plane than in this country, and will be more than the usual amount of interest. It is expected that the Canadian list will be a record one. Canadian champions will all come to the C. N. E. regatta.
Then University of Toronto took up rowing sport two years ago and so in close harmony with the Argonauts, but now there has grown up between the two local clubs a rivalry, rivalry, and they are likely to show real excitement at the Canadian regatta. The wonderful success of the Argonauts has spurred the Argonauts on to their efforts, and it is likely that Joe Hight on his return from the United States next spring will take full charge of the Argonauts. The Double Blue commence training at St. James' Hall early next week.

INNIS.

of Miss Lenglen.
The French Lawn Tennis Federation yesterday accepted resignation of Captain Albert R. De la Roche as a member and vice president of the organization. Captain De la Roche was manager of Suzanne Lenglen, each woman tennis champion, on her part to the U. S. last summer, was ordered in protest against the federation's condemnation of one U. S. Lawn Tennis Association "for unjustified conduct on the sporting spirit of a Lenglen."
The resignation was a resolution that the French organization had passed, and that the U. S. Lawn Tennis Association had objected to the unmeasured use of the highest official of U. S. Tennis, Miss Lenglen as a quitter."

CKEY.

Bouchard to Remain Amateur.
Montreal, Nov. 30.—Edouard Bouchard played hockey with the Voltigeurs Quebec a year ago, has refused to play with the Canadiens of the International Hockey League here this season. He said he had decided to remain amateur. It is his intention to play in Quebec in time to play with the club in the provincial league. The audience now have signed contracts in four, Pire, Odie Clegdon, Venezia Courbeau.

SEBALL.

Babe Ruth's Case.
Chicago, Nov. 30.—Judge Landis, base-commissioner, yesterday completed draft of his decision in the case of Babe Ruth, but withheld announcement until after the judge had been given time to go over the decision before announcing it but too busy in court to do so. He said it will be given out soon.

The New York Americans.

New York, Nov. 30.—Plans for the 1922 season of the New York American baseball club will be considered in a series of conferences here during the next few days. The presence of Manager Huggins here at the time of the conference is a sign that the club is in a position to make a strong effort to win the pennant for next season. The executive committee of the club will be held in the afternoon, and that one or more high players would be acquired before the signing of the next pennant race. The club took occasion to announce that Babe Ruth had been paid a fabulous salary next season. The interest at present among the fans of the club centres about the signing of the new players. The immense race-horse shaped stands will seat between 50,000 and 60,000 spectators.

NG.

Leonard Outposts Ward.
New York, Nov. 29.—Benny Leonard, lightweight boxing champion, tonight (tonight) George Ward, Elizabeth (N. Y.) in a six-round exhibition bout in Madison Square Garden, according to a majority of sports writers at the ring. The contest was the feature of the show for charity.

Joe Gorman Wins.

New York, Nov. 29.—Joe Gorman, featherweight, was awarded the decision over Earl Baird, Seattle, in the first of several bouts in Madison Square Garden tonight. Baird was defeated by the referee in the fifth round of what was to have been a ten-round bout.

DO YOUR BOWELS MOVE REGULARLY, OR DO THEY BECOME CONSTIPATED

There is no medium through which disease so often attacks the system as by allowing the bowels to become constipated, and there is no other trouble which is more liable to be neglected, because material inconvenience may not be felt at once, from irregular action of the bowels. When there is not regular action the retention of the decayed and effete matter, with its poisonous gases, soon poisons the whole system by being absorbed into it, causing violent sick and bilious headaches, internal bleeding or protruding piles, heartburn, jaundice, etc.

MILBURN'S LAXA-LIVER PILLS will regulate the flow of bile to act properly on the bowels, thus making them active and regular, and removing the constipation and all its allied troubles. Mr. Samuel Buckler, Tatamagouche, N. S., writes: "For over a year I suffered with constipation. I took several different kinds of medicine, but could only get temporary relief. I was told to try Milburn's Laxa-Liver Pills. I procured two vials of them, but after I had taken one I found that I was relieved of my trouble. I do not hesitate to recommend Laxa-Liver Pills for any kind of constipation." Price 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

WOUNDED GIRL MAY RECOVER

Statements by Actress and Others Obviate Need of Inquest—Grubb Ended Own Life.

Hamilton, Nov. 30.—Miss Cecile Bartley, young vaudeville actress of Chicago, who was shot three times late on Friday afternoon, in the Lyric Theatre, spent a restless night at the General Hospital, and her condition was reported to be fair. She is not, however, yet out of danger. Doctors hold out no chance for her recovery if complications do not set in.

The crown authorities, together with Chief Coroner Rennie, have decided not to hold an inquest. They expressed themselves as being satisfied with the statements of the wounded girl and another member of the act, named Miss Helen Campbell, that Jack Grubb, stage carpenter of the act, shot her. The admiral of Miss Bartley, did the shooting and also ended his own life.
With Grubb dead, Coroner Rennie said he failed to see what public interest could be served by holding an inquest. Statements had been obtained from all the members of the act, and an inquest was found to be unnecessary. The remains of Jack Grubb were sent to Baltimore for interment. Local stage mechanics had charge of the funeral arrangements.

HAD BAD COUGH AND SORE THROAT

Never neglect a cough or cold however slight. If you do it can have but one result: it leaves the throat or lungs, or both, affected. A single dose of

DR. WOOD'S

NORWAY PINE SYRUP

will help to stop the cough, soothe the throat, and if the cough or cold has become settled on the lungs the healing virtues of the Norway pine syrup, with the soothing and expectorant properties of other excellent herbs, roots and barks promptly eradicates the bad effects, and the persistent cough cannot but help to bring about relief.

Mr. Albert Marsh, Lower L'Ardoise, N. S., writes: "About a year ago I contracted a cold accompanied by a very bad cough and sore throat. I sent for the doctor, but what he prescribed did me no little good. I began to get discouraged. A friend came to see me and asked me if I had ever used Dr. Wood's Norway Pine Syrup. I told him I had not and sent him right away to get me a bottle. I started using it, and after a couple of days I found I was getting relief, and after taking two bottles the soreness in my throat seemed to be leaving me, so I resolved to continue its use, and after I had used five bottles my sore throat seemed to be gone. I would not be without 'Dr. Wood's' for any money." Price 30c. and 60c. a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

LEG SHOT-RIDDLED; CRAWLS TO SAFETY

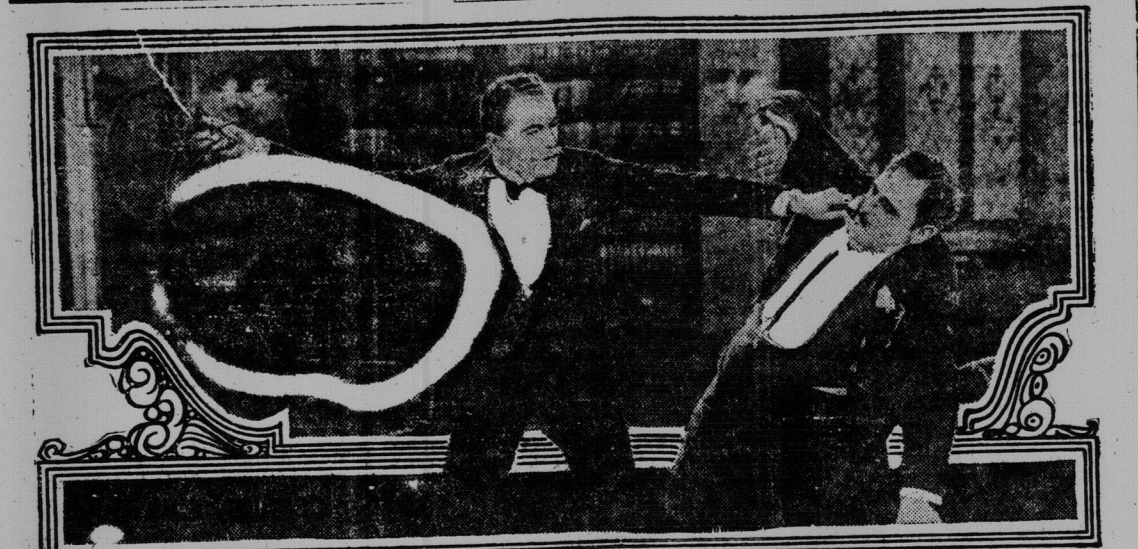

Hunter in Northern Bush has to Go Long Distance Over a Rough Trail.

Sudbury, Ont., Nov. 30.—After having dragged himself over two miles and a half of rough trail, his right leg bleeding profusely from a gunshot wound, John W. Higgins, of Sudbury, is in St. Joseph's Hospital, congratulating himself on a narrow escape from death.
Mr. Higgins, who had been hunting in the country back of Massey Bay for the last month, was walking through the bush, hurrying in order to catch up with another hunter whose footsteps he was following in the snow. In his haste he stumbled and fell, receiving the full discharge of the shotgun he was carrying, in his right leg. He was unable to walk any farther, but bound up the wound roughly and crawled painfully through the brush for two and a half miles to the Washington power dam, near Massey Bay, where he secured assistance.

CITY COUNCIL.

It was decided at a meeting of the city council yesterday afternoon that the city needed to acquire some of the property lying north of the east side ferry floats in order to improve the approach to the ferry slip. The city engineer was given authority to enter the property and survey it. A certificate showing the city to be indebted to the province in the sum of \$8,280 in connection with the housing board. The matter of a settlement for damage done to the floats by the steamer Sussex was left in the hands of the council. The applications of James Stewart and Ernest W. Cannon for half-pay for the time they were in the army were set over till next week. Under an order-in-council of Nov. 18, 1915, about \$1,800 has been paid and there are claims for over \$4,000.

GERMS COMBAT PARESIS

Hamburg Professor Says 85 Per Cent. Improved, 45 Per Cent. Markedly.
It is reported by the Berlin correspondent of The Journal of the American Medical Association that rather remarkable results in the treatment of paresis have been obtained in Hamburg by inoculating the patients with the germs of malaria and recurrent fever. Professor Weygandt, a psychiatrist of Hamburg, and Dr. Muhlenberg, professor of tropical diseases, also of Hamburg, have been carrying on the work since 1919. Professor Weygandt made this announcement concerning his experiments at a recent meeting of the Hamburg Medical Association.
"As a result, the remissions and the improvement were much more marked than they had been previously, when the cases were left untreated or were treated by the older means. In fifty cases treated, for from four to twenty-two months the following results were secured:
"Ability to resume duties of calling, 28 per cent.; partial resumption of calling, 22 per cent.; ability to work at home, 10 per cent.; ability to work part time, 6 per cent.; domiciliary care now sufficient, 2 per cent.; no improvement, 10 per cent.; progressively worse, 2 per cent."
"Accordingly, there was remission in 85 per cent. and a marked remission in 45 per cent. The neurologic and serologic improvement was not equal to the clinical and practical progress."

CAPTURED IN HIS FIRST VENTURE AS PICKPOCKET

Man Taken in New York Says He Wanted Money to Go to Sick Mother in Toronto.

New York, Nov. 30.—Elmer Williams ended a brief career as a pickpocket yesterday, when he was arrested while making his first dip into a woman's pocket for a purse that contained ninety cents and a subway ticket.
He admitted his guilt, saying he decided to turn pickpocket to obtain funds to go to the bedside of his mother, who he declared, was seriously ill in Toronto. He was held in \$1,000 bail for further examination.

RACES DEATH FROM PANAMA.

Immigration Bars Dropped to Admit Boy for Operation.
Philadelphia, Pa., Nov. 30.—A race for life is to end here with the arrival at the University Hospital from Panama of a fourteen-year-old Manuel Salones for a delicate brain operation by Dr. Charles H. Frazer, a surgeon of this city. The immigration bars at Ellis Island were dropped to admit the boy to this country. He came on the steamship Colon, accompanied by his father.
The lad traveled with funds subscribed by residents of Panama City, with whom he was popular because of his ambitious nature and studious habits. His father bore a letter from William Jennings Price, United States Minister to Panama, bespeaking the aid of immigration officials and explaining that "the entire population of Panama" was deeply interested in the boy's race with death.

FREE KINDERGARTEN ASSOCIATION

A meeting of the Free Kindergarten Association was held yesterday afternoon at the residence of the president, Mrs. F. E. Holman. Several friends had made gifts of shaker flannel, and twenty garments for the children were made yesterday afternoon. Mrs. Holman and the kindergarten teachers told of the great need for clothing, dresses, coats, boots and rubbers. The finances were the subject of serious consideration, as the funds are seriously low. The sum of \$48 remains in the treasury with bills
