## Why Pulp and Paper Securities Must Advance

In earning-power and in value is shown in our current Investment Items. If you, like many other investors, have felt that the rapid advance of the industry and its securities is the result of inflation having no real foundation, you should read the current Investment Items. It contains a most searching financial analysis of the Canadian pulp and paper investment situation. The edition is limited but you may have a copy free while it lasts. So write promptly.
