Owners of Property

To the property owner we ask
the question:
DO YOU WISH TO SELL?

If that is your purpose you
could do no better than com-
municate with us at once. We
have a constant stream of in-
quiries for all classes of prop-
erty, and yours may be just
the property that some one is
looking for. We make no
charge for listing or adver-
tising; your only outlay is in pay-
ing the commission if we make
a sale.

Don't wait till after the first
of February as the buying in
that time fairly cooled off.
Phone us for appointment and
we will be a pleasure to call
upon you and give you any
further detailed information de-
sired.

This is our best season for the
sale of house property. It is
because the purchaser is certain
of occupancy by May 1st on
account of February being
"Notice Month."

Again, surely the first of the
new year is the permanent time
to make as one of your resolu-
tions to be your own landlord.

THE BUSINESS COLUMN

EDITED BY MANSFIELD F. HOUSE (Byron)

Even Nights Are Sold by This Store

"Oh, dear, I came off without my
nightie? What in the world am I going
to do?"

Representing the natural and perfectly
obvious reply—"Without!"—the com-
panion of the lady who has mislaid her
sleeping apparel can now steer her right
across the street from the Pennsylvania
Station in New York and into the drug
store of the Pennsylvania Hotel, where
she will find a collection of lingerie war-
ranted to make any woman miss her
train.

Yes, they're stocking stockings—
everything in the pharmacy department! It's
quite the fashion and, according to the
reports which emanate from the corner
drug store where such things are handled
business is booming.

It all started because of the usual
feminine practice of forgetting things
which are essential to the completion of
one's toilet—gloves, hosiery, hair pins,
veils and the more intimate garments
which are usually sink and bend. And if
they were coming into New York,
women would leave these on the train,
more going justified by initial forgetful-
ness than by any other reason. The Pen-
sylvania Hotel, who had a small stock of
hair pins and the like, decided to open
a store in the Pennsylvania Hotel, Miss
Woodruff, who had had charge of several
departments, gently intimated that she
thought a special women's wear section
would be a mighty good thing provided
it was handled in the proper manner.

What's your estimate of the initial
cost? Miss Woodruff was asked. "Oh,
somewhere in the neighborhood
of \$40,000," she replied calmly.

Miss Woodruff had permission to take
over a space measuring 10 by 12 feet and
to stock it according to her requirements.
Decorated in French gray and ivory,
draperies and curtains to deal with the
necessary dash of color, the first phar-
macy-department store—truly a "con-
tinuation" in the clothing department—
was opened a few months ago, at a
cost of \$40,000. But the business has
more than made up and saved 10 per cent
of your bill. Guaranteed to give the
same service on one half the cost of
any other retail drug store.

Now IS THE TIME TO GET A
Fire or Burglar and save 10 per cent
of your bill. Guaranteed to give the
same service on one half the cost of
any other retail drug store.

HEATING STOVES—WE HAVE A
large variety of latest pattern built
iron stoves which we are selling at a

William street.
