THE BUSINESS OUTLOOK

(Montreal Financial Times.)

The country's buying power is not exhausted; it is only curtailed and therefore a vigorous process of retrenchment will readily meet the situation and leave the majority of people in relatively the same position as in the days of so-called prosperity when paper profits and inflated credits made the average man feel like a veritable Monte Cristo.

Makes Stubborn Coughs Vanish in a Hurry

Surprisingly Good Cough Syrup Easily and Cheaply Made at Home

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2½ ounces of Pinex and make it into 16 ounces of cough syrup, and watch that cough vanish.

Pour the 2½ ounces Pinex (50 cents worth) into a 16-ounce bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents, and gives you 16 ounces—a family supply—of a most effective remedy, at a saving of $2. A day's use will usually overcome a severe cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it loosens the dry, hoarse or tight cough and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter coughs, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiacol, which is so healing to the membranes.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Toronto, Ont.

RECENT DEATHS

The death took place yesterday of Miss Mary Regina, the eighteen-year-old daughter of Patrick and Mrs. A. Boyle, 190 Union street. She leaves her parents and a brother to mourn. The funeral will take place tomorrow afternoon.

The death of Mrs. Harriet A., widow of John Hickman and daughter of the late Rev. John Prince, occurred yesterday at her residence, 188 Princess street. The deceased was in her 63rd year. She leaves one sister, Mrs. George Barnes, of this city. The late Mrs. Hickman was a member of the Methodist church. The funeral service will take place at her late residence tomorrow morning at 10.30 o'clock and the remains will be taken to Moncton for interment.

Moncton (N. B.), Nov. 9—Thos. Smith, foreman at Hickman's mill at Port Elgin, was found dead in bed this morning. Heart disease is supposed to be the cause of death.

Drowned at Gagetown.

William Kelly, of Gagetown, a deckhand on the steamer Elaine, was drowned yesterday morning at Chipman when he slipped into the water while crossing a gang plank to the steamer May Queen. His body has not yet been recovered. Kelly was about forty-five years of age and has been running on the river steamers for four years. He leaves a wife, one son and a daughter.

UNSTRUNG, UNSTEADY SHAKY NERVES

MAY BE TONED UP BY USING
MILBURN'S HEART and NERVE PILLS.

Mrs. John Harper, Toronto, Ont., writes: "I have used Milburn's Heart and Nerve Pills for the heart and nervous system. I was confined to a grocery store for twelve years, and had to give up business, as I became terribly run down and nervous, and had heart trouble, and I am sure I am gaining very fast now. I feel that nothing did me any good until I tried your Heart and Nerve Pills, and I am positive they will cure me. The nerves of one hand would tremble and then seem to go numb so that I could not write or sew. Now my hand is quite steady, as you can see by my handwriting. This is a big change which delights me so much for I thought all was done that could be done. I was about to give up in despair when I tried this last remedy, and even after I had only taken half a box the change started to come."

Milburn's Heart and Nerve Pills will restore the enfeebled, enervated, exhausted, overworked system to full constitutional power.

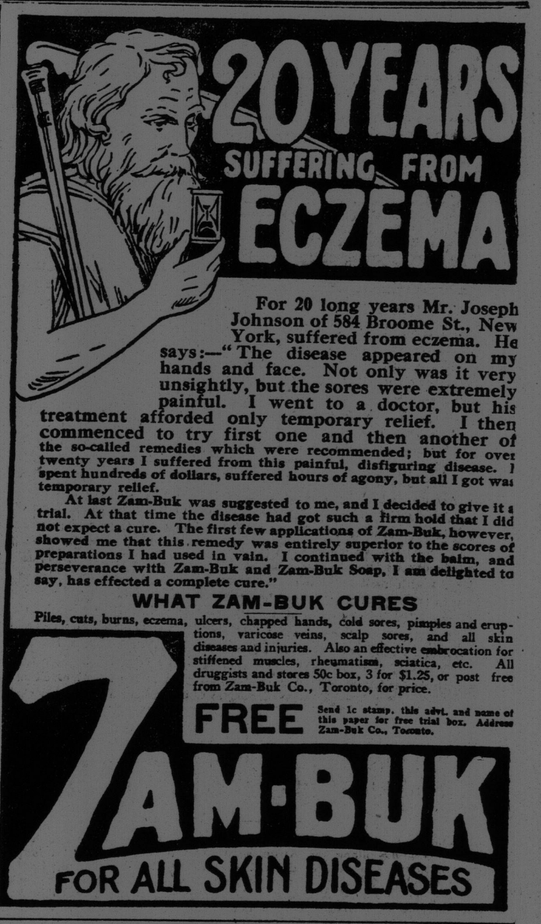
Price, 50 cents per box, 3 boxes for $1.25, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

How Thin People Can Put on Flesh

A NEW DISCOVERY

Thin men and women—that big, hearty, filling dinner you ate last night What became of all the fat-producing nourishment it contained? You haven't gained in weight one ounce. That food passed from your body like unburned coal through an open grate. The material was there, but your food doesn't work and stick, and the plain truth is you hardly get enough nourishment from your meals to pay for the cost of cooking. This is true of thin folks the world over. Your nutritive organs, your functions of assimilation, are sadly out of gear and need reconstruction.

Cut out the foolish foods and funny sawdust diets. Omit the flesh cream rubons. Cut out everything but the meals you are eating now and eat with every one of those a single Sargol tablet. In two weeks note the difference. Five to eight good solid pounds of healthy, "stay there" fat should be the net result. Sargol charges your weak, stagnant blood with millions of fresh new red corpuscles—gives the blood the carrying power to deliver every ounce of fat-making material in your food to every part of your body. Sargol, too, mixes with your food and prepares it for the blood in easily assimilated form. Thin people gain all the way from 10 to 25 pounds a month while taking Sargol, and the new flesh stays put. Sargol tablets are a scientific combination of six of the best flesh-producing elements known to chemistry. They come 40 tablets to a package, are pleasant, harmless and inexpensive, and all druggists sell them subject to an absolute guarantee of weight increase or money back.



For 20 long years Mr. Joseph Johnson of 584 Broome St., New York, suffered from eczema. He says:—"The disease appeared on my hands and face. Not only was it very unsightly, but the sores were extremely painful. I went to a doctor, but his treatment afforded only temporary relief. I then commenced to try first one and then another of the so-called remedies which were recommended; but for over twenty years I suffered from this painful, disfiguring disease. I spent hundreds of dollars, suffered hours of agony, but all I got was temporary relief.

At last Zam-Buk was suggested to me, and I decided to give it a trial. At that time the disease had got such a firm hold that I did not expect a cure. The first few applications of Zam-Buk, however, showed me that this remedy was entirely superior to the scores of preparations I had used in vain. I continued with the balm, and perseverance with Zam-Buk and Zam-Buk Soap, I am delighted to say, has effected a complete cure."

WHAT ZAM-BUK CURES

Piles, cuts, burns, eczema, ulcers, chapped hands, cold sores, pimples and eruptions, varicose veins, scalp sores, and all skin diseases and injuries. Also an effective embrocation for stiffened muscles, rheumatism, sciatica, etc. All druggists and stores 50c box, 3 for $1.25, or post free from Zam-Buk Co., Toronto, for price.

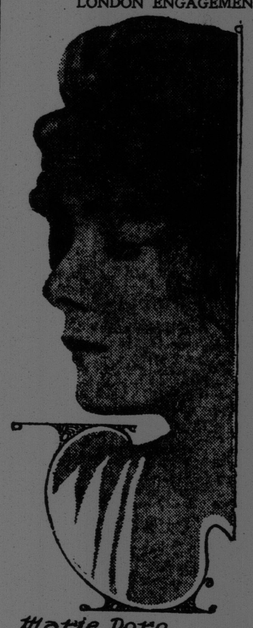
WAR COSTS ACTRESS LONDON ENGAGEMENT



Marie Doro.

New York, Nov. 10—War being the only drama in which London is interested, Marie Doro has returned to America to play Dora in "Diplomacy" in this country.

She played the role for a year in Frohman's London theatre. In the American revival of the old-time play she is supporting William Gillette and Blanche Bates.

AIR CRAFT AND THE WAR

Aeroplane Has Forced Game to Be Played Openly

Washington, Nov. 10—How the aeroplane has wrought tremendous changes in the game of war, as is being demonstrated now on the battlefields of Europe, was pointed out by Brig.-Gen. Scriven, chief of the Army Signal Corps, in his annual report submitted to Secretary Garrison.

"It now appears," said General Scriven "that the actual game of war is played openly, with cards laid on the table, and opportunity no longer is given for inference as to concealed movements or surprise; perhaps not even for the exercise of the high military quality of anticipation of the unseen movements of the adversary.

"It seems probable that the aeroplane and to some smaller degree all the air craft, have altered, not the principles of strategy, which are immutable, but the theory and application of grand tactics."

Dirigibles as service units, the general consigned to the "waiting list." He recommended that the aeroplane continue to be the main reliance of the United States army for aerial work, remarking that he was "not yet prepared to recommend that the army take up the dirigible seriously, as its value is still believed to be indeterminate; it requires too many favorable conditions to insure success and its cost is comparatively great."

Lieut. Oliphant Married.

Lieut. J. Oliphant, of the C. A. S. C., First Canadian Contingent, was married on October 26 to Miss Grace Hudson, of London, England. Rev. F. J. Oliphant, uncle of the bridegroom, performed the ceremony.

A REBELLION
Food Demanded.

The human body will stand a lot of abuse but sometime it will surely rebel and demand proper food in place of the pasty, starchy, greasy stuffs on which it has been made sick.

Then is the time to try Grape-Nuts the most scientific and perfect food in the world.

A lady writes: "Three years ago I was very ill with catarrh of the stomach and was given up to die by one doctor. I laid in bed four months and my stomach was so weak and emaciated after four months of this starvation that my daughter could easily lift me from bed and put me in my chair.

"But weak as my stomach was, it accepted, relished and digested Grape-Nuts without any difficulty the first time that wonderful food was tried.

"I am now strong and in better health than for a great many years and am gradually growing still stronger. I rely on Grape-Nuts for much of the nourishment that I get. The results have certainly been wonderful in my case and prove that no stomach is so weak it will not digest Grape-Nuts.

"My baby got fat from feeding on Grape-Nuts. I was afraid I would have to stop giving the food to him, but I guess it is a healthy fat for his health is just perfect." Name given by Canadian Postum Co., Windsor, Ont.
