## McGraw's Review

SUFFERED SO MUCH SHE WANTED TO DIE

"Fruit-a-tives" Cured Her and Brought Her the Joy of Living

Enterprise, Ont., October 1st.

"For seven years, I suffered with what phyiscians called a "Water Tumor." Hypodermics of Morphine had to be given me to ease the pain.

During one of these bad spells, a family friend brought a box of "Fruit-atives" to the house. I was so bad that it was only when I had taken nearly two boxes that I began to experience relief. I kept up the treatment, however, and after taking five boxes, I was cured, and when I appeared on the streets, my friends said:—"The dead has come to life," and this seemed literally true because I certainly was at death's door."

MRS. JAMES FENWICK.

"Fruit-a-tives" are sold by all dealers at 50c. a box, 6 for \$2.50—trial size ,25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.
