2. Loose plate collections are applied to running expenses, such as heat, light, &c.

3. Subscriptions to the Current Expense Account take the place of pew rents, and are payable quarterly on the first of January, April, July and October.

4. Subscriptions to the debt of the church are due on the first day of May, August, November and February.

5. The income of the Ladies' Aid Society is derived chiefly from dime donations collected monthly. Every lady should be a contributor if possible.
