THE SILVER QUESTION.

To the Patrons of the Chroniele Printing

Establishment: NOTICE is hereby given, that on and after SATURDAY NEXT, AUGUST 1, British and American silver in amounts over five cents, will be accepted at this office at the following rates only :---

Half Dollars 48 Cents. 9 J. S. GURNETT, PUBLISHER CHRONICLE

CHRONICS & "OFFICE, Ingersoll, July 30, 1868.

THE INGERSOLL CHRONICLE.

THE undersigned begs to call the attention of the public to the facilities he possesses for doing next work, and the advantages offered to AD-VERTISERS in the Columns of

The Ingersoll "Chronicle."

It is the oldest Paper in the County of Oxford, being It is the codest Paper in the County of Oxford, being now in the affeenth year of its publication, and con-tains Thirty-Two long Columns, to which we are com-pelled to add a large Ten-Column Supplement, during the greater part of the year, to meet the requirements of our patrons. On the Editorial Staff the best talent greatest satisfaction; but at this time that gentleman became indisposed and left the works. ged, and its Local and Selected Items comprise all the passing events of interest of the day. Its circu lation throughout the County and Province is much larger than that of any other paper published in this section, thus affording to advertisers a medium for publicity which cannot be equalled in this part of the Mr. Thomas Brown, one of the Board, came in and ordered the men to stop, as it was impossible to do a good job in cold weather .--

JOB PRINTING.

This order, however, was not obeyed, and the Having intely added to our Job PRINTING DEPART. building was completed. Type, Cuts, &c., we are prepared to execute in a ma Board of School Trustees are not the most rection. er before attempted in the County any descrip harmonious body in the world; and in this inion of Job Work required, such as stance seems to have emerged into a political

The advance.

Ingersoll Chronicle. THURSDAY, AUGUST 20, 1868.

Upper Canada College.

We have received a pamphlet on the above subject, compiled by a committee appointed by the Grammar School Masters' Association at their meeting last winter. The relation of Upper Canada College to the County Gramar Schools of this Province, from the period of its establishment to the present time, is fully and critically examined in this pamphlet, and who contracted with us for the brickwork had the done we must say in a very masterly and rcholarlike manner. That this institution has
