MACKENZIE & MANN **ACQUIRE BIG CONCERN** 

Largely Extend Oper.

By a unanimous vote of the shareholders at an extraordinary meeting held Friday afternoon, the Pacific of two, the Labor government of New Whaling Company was sold as a going South Wales received a severe setback Whaling Company was sold as a going concern to the Mackenzie & Mann interests, represented by A. D. McRae and Col. Davidson, who held an option on the property for approximately one million dollars. The new owners will take over the concern about December 1st and will organize a new company with a capital of two or three million

Friday's action on the part of the Friday's action on the part of the shareholders was almost purely formal, arrangements for the purchase of the property having reached an advanced the government was shown by the deproperty having reached an advanced feat of four ministers, including Prestage and five new whalers ordered by mier Wade himself, Hon. W. Moore the Mackenzie & Mann representatives.

Following the meeting an official of minister of education and labor; Hor ing statement to the Times:

by Col. Davidson and A. D. McRae, impossible for it to carry on. was ratified and it was decided to turn over the company's holdings at an early date. We expect that the purchasers will take possession about December 1st. The purchase price is \$1,000,000, As previously announced, the deal will be followed by an immediate enlargement whaling operations and the institu tion of halibut and shark fishing in and storehouses will be erected at Sechart, in the Queen Charlotte Islands, nd in all probability at other points. Timms, a well known woman physi"Five new whalers have been ordered clan, was instantly killed late last and in all probability at other points. and will arrive early next year.
