BULGARIA APPEALS

TO PREVENT THE MACEDONIAN MASSACRES

War Appears Nearer Than Ever-The Revolutionary Leader Will Adopt Guerrilla Tactics.

Sofia, Sept. 14.-The Bulgarian govroment, through its foreign representatives, has addressed a note to the great owers, declaring that the Porte is sysematically devastating Macedonia and nassacring the Christian population. Further, it says Turkey has mobilized the revolution. Therefore, the Bulgarian government appeals to the humane nent of Europe to prevent a conorced to take such measures as she tions to the Bulgarian government." may deem necessary.

CANADA'S SIDE OF **BOUNDARY QUESTION**

ARGUMENTS COMMENCED BEFORE COMMISSIONERS

Attorney-General Finlay Presents Case for the Dominion-Some Points of Address.

London, Sept. 15.-The Alaskan boundary commission reassembled in the foreign office to-day, and the oral argunents began. Only a few spectators, including the wives of the commission-Attorney-General Finlay rose and commenced the presentation of the Canadian

It was evident that the commissioners at first were not deeply interested in the Attorney-General's statement. Having considered the documents already pre pared the commissioners felt that they were as familiar with these facts as any of the counsel. The arguments were more for the purpose of removing any denots which counsel felt may exist in the minds of the members of the tri-

The agents of the governments howcovered table behind which the commi sioners sat, and counsel occupying the desk in the centre of the chamber, fol-lowed the Attorney-General's address

with the closest attention.
While Attorney-General Finlay was speaking Chief Justice Fuller, accom-panied by Ambassador Choate, entered the chamber. They were conducted to a table directly facing the commission-

The Attorney-General briefly described the historical aspect of the question, and took up the treaty under which the commission was appointed. He then prepoint of which has already been stated the argument of Hon. Clifford Sifton, the Canadian Minister of the Interior, and urged the commissioners to strictly confine themselves in considering the question as to the terms of the c versy between Great Britain and Russia f 1825, and not to depart therefrom The interest of the commissioners grew as Attorney-General Finlay proceeded

with his analytic study of the question. Speaking of the location of the line along the coast from the head of Portand Channel as fixed by the treaty, the Attorney-General pointed out that the eport of the United States coast survey in 1896 showed that the Washington government held to the view that the line should follow the "general trend of the coast," which supports the Canadian
