## POLICE COURT.

George Hector's Wife Didn't Appear Against Him—One Prisoner Escaped From Police and Got Away.

There were six prisoners in the Police Court this morning to face the magistrate, five drunks and George Hector charged by his wife with assault.

There were two other names on the police book but the owners were not in court as one had escaped from the police and the other was sent into jail last night to sober up.

Three of the drunks were fined \$8 each and the other two were fined four dollars each. Mrs. Hector was not in court to prosecute her husband and he was allowed to return to his mill work promising to appear when summoned.

Hector is a young colored man with a good reputation as a hard working fellow, and while he admits striking his wife, he says he is not altogether to blame, as she goes away from home and neglects her children. He will be given a further chance to tell his side of the story when his wife appears against him.

About 11:30 o'clock last night a young fellow named Morgan of the West side was found in an alley off of Charlotte street by policeman Finley. The young man could not give a satisfactory account of himself and was locked up. This morning about five o'clock while he was being taken from the British street lockup to Central Station he was seasick and vomited until within about a hundred yards of the station when he broke away from Policeman Finley and escaped running through the old burying ground. The police are now on the lookout for him.

John E. Moore was on Sept. 23rd reported by Policeman S. Perry for having a ladder in front of his Wright street house without a light. Mr. Moore explained that some boys were responsible for having the ladder there and he did not know it had been there. He was excused.

Magistrate Ritchie made some remarks about the number of men who are daily hanging about the corners or sitting on fences with nothing apparently to do but drink liquor and not try to obtain employment. He promised to make an example of a couple of them if brought before him.

**GOVERNMENT MEETING TO-NIGHT.**  
All the members of the local government with the exception of the Hon. Wendall P. Jones are in the city and will hold a meeting this evening at eight o'clock at which two or three matters of importance are to come up. The speaker arrived early this morning but the other members came in on the noon train. A meeting was held at Fredericton last evening but Hon. Mr. LaBelle said this morning that only routine business was attended to. At this evening's meeting, however, the question of the reception to Prince Louis will come up and probably the case of the insane Greek.

**A PARTING GIFT.**  
Fred Simpson, late of Manchester, Robertson, Allison, Ltd., accompanied by his wife, left for Eastern S. Co. today for Boston, thence to New York, where Mr. Simpson engages with the Wampanoag store. He will sail his line of goods there, namely, curtains and house furnishings, in which department he is quite an expert. Previous to his leaving the local house Mr. Simpson's friends presented him with a fountain pen, gold mounted. For a short time Mrs. Simpson will visit her parents at Mansfield, Mass. While in St. John Mr. and Mrs. Simpson were quite prominent in musical circles.

**FUNERALS TODAY.**  
The funeral of Patrick Green who died suddenly at the water works extension Sunday night took place from the undertaking rooms of P. Fitzpatrick, Waterloo street at 10:30 o'clock this morning. The remains were taken to the cathedral where the burial service was read by Father O'Keefe. Interment was in the Old Catholic cemetery.

The funeral of Jas. Elmes took place this afternoon at 2:30 o'clock from his late residence, Erin street. Interment was in the Old Catholic cemetery.

**NORTH END WEDDING.**  
The wedding takes place this evening of Mrs. Eliza A. Clark, the proprietress of Clark's Hotel, Main street, North End, and Captain Daniel Mitchell, of Campbell. The ceremony will be performed by Rev. O. N. Mott, of the Free Baptist church, Devil's Creek. After the ceremony a social evening will be spent. The happy couple, who are both in the vicinity of fifty years of age, are the recipients of many pretty presents.

## GENERAL STRIKE FEARED

ON GRAND TRUNK.

CHICAGO, Oct. 4.—High officials of the Grand Trunk Railroad have been called to Chicago to prevent a general strike of switchmen on the system growing out of the walk out of the 15 men in the yards at Eldon. Local officers last night admitted that the labor situation is growing more critical hourly.

Fourth vice president McGuigan today and will confer with division superintendent F. W. Egan and his assistant W. E. Costello. It is expected also that a conference will be held with a committee from strikers in an endeavor to adjust the dispute.

Vice Grand Master James Connors of the switchmen's union still holds out for peace but the officials refused to discuss the chief demand of the men.

**GOVERNMENT RECEIVED \$10,000 THIS YEAR FROM HUNTERS.**

Both the resident and non-resident hunters are out in force this season after big game throughout the province, and as the revenue received by the government in hunting licenses is yearly increasing it plainly shows that the sportsman finds the woods of New Brunswick to be superior to others.

Two years ago the total receipts received were \$15,156, and last year the receipts were \$16,216. These, it is thought, would have been larger had it not been for other attractions, principally the world's fair.

Up to date the government has received over \$10,000 from residents and non-residents for licenses to shoot moose, deer or caribou, while to this date last year only \$4,440 had been received. The prospect is very bright for this year, greatly exceeding any previous year in the license receipts. The non-resident is charged \$50 for a license, while residents of the province can receive one for \$2.
