CASE AGAINST BEAL AGAIN POSTPONED

Crown Wants Time to Look
Up a Witness

Hearing is Now Fixed for April 9th at
Woodstock—Very Little More
Evidence Coming.

WOODSTOCK, N. B., March 30.—The case against C. N. Beal, of St. John, for shipping liquor into a Scott Act county was once more before Magistrate Diblebs this morning. Hon. W. P. Jones, counsel for Inspector Colpitts, asked for an adjournment owing to the continued absence of McKenna, & for C. N. Beal. If he were unsuccessful in getting McKenna to appear he asked that a subpoena be issued for another witness who might be able to throw light on the subject. J. C. Barker, counsel for Mr. Beal, opposed the adjournment on that ground. The case had been dragging for three months and frequent adjournments had been made to enable the crown to have McKenna as a witness. He was willing for an adjournment to hear McKenna's evidence, but he would oppose adjournment if it was to be used as a delaying device for other witnesses. The crown should have had its case ready before starting, as it no doubt had, and it would be unfair to keep his client on the rack all summer. Mr. Jones did not press his point for other witnesses and his wording granted the adjournment until April 9th, and suggested that the case would close just as soon as McKenna's evidence had been taken, but if the witness was still ill on that date he would decide whether or not he would allow any other witness.

A large delegation will leave Woodstock this afternoon to press upon the local government the feasibility of undertaking the bonds of the proposed St. John Valley Railway.

ASK MONEY TO BEAUTIFY RIVER AT FREDERICTON

Nashua Man Met Death at His Brother's
Funeral—County Court in
Session.

FREDERICTON, N. B., March 30.—A delegation from the Fredericton Improvement Association consisting of H. C. Chetani, J. J. Weddall and C. H. Thomas appeared before the executive committee this morning and asked for financial assistance for improving the bank of the river opposite the parliament building. The government said they would take the matter into consideration.

Letters of administration were granted this morning in the probate court to the brother of the deceased in the estate of late school inspector David Mitchell. The estate was sworn at \$1,915.

The death occurred at Nashua village yesterday from pneumonia of Mr. D. Grant, one of the best known residents of that village. Mr. Grant was upwards of seventy years of age and caught a severe cold a few days ago while attending the funeral of his brother.

County Court is in session today hearing the case of McCatherine vs. Howie. Judge Porter is presiding and Judge Wilson is a relation of one of the parties interested in the suit. The plaintiff claims that Howie who sold a horse under execution for debt against one Halston was protected by a bill of sale.

EXPECT MORE TROUBLE AT THE INDIANA MINES

Hungarians Object to Americans Working
Along With Them.

TERRE HAUTE, Ind., March 30.—It is expected that today will see the resumption of last night's disorders at the Eagle mines, north of Jasperville, or an agreement by the Hungarian miners bartered there to leave their work in the mines. In a battle last night five American miners were injured, one of them perhaps fatally and another seriously.

Hostilities between the American and Hungarian miners started yesterday forenoon when the Hungarians refused to allow the Americans to go to work in the mines.

SYDNEY MINER KILLED BY FALL OF STONE

SYDNEY, N. S., March 30.—Robert Wilson, a miner employed at Reserve colliery, was instantly killed yesterday by a fall of stone. The body was terribly crushed when found, nearly two tons of stone having fallen. An inquest was held late this afternoon and the verdict of accidental death was returned. The deceased was in his 24th year and leaves a wife and three children.

LADY BROOME LOSES CONTROL OF ESTATE

She Has Failed to Display Any
Business Ability

Property Lost Through Her Foolishness—
Son is Appointed Administrator
Under Court's Order.

SANTA BARBARA, Cal., March 30.—Not having made an accounting of the estate of 18 years, Lady Frances Broome was yesterday removed by the court here as executrix of the \$270,000 estate left by her husband. Her eldest son, Thornehill, who petitioned the court for an accounting was made special administrator.

Lady Broome is an English woman whose eccentricities have long kept her in the public eye. She ignored the court order to have an attorney, saying that she could find none she could trust. Other heirs of the estate are Amy, a daughter, and Montague, a son. The estate consists of 21,000 acres near Ventura and property in Buxton, England. The family is well known in San Francisco, New York and London. Mrs. Broome lost considerable property here on her refusal to be amenable to American law procedure. She allowed her home in the city to be sold rather than pay \$400 for street work. Since then \$11,500 has been refused for the property. During this row with the contractor Mrs. Broome was sentenced to one hour in jail which she served. Again she allowed a \$6,000 house to go by default. She also lost a carriage rather than pay court reporter's bill. Thornehill Broome says his mother disinherited him and refuses to speak to him. Lord Broome died in 1901.

ZELLA GOT ALL THAT WAS COMING HER WAY

Police Landed Bird-shot in Woman Who
Demanded \$30,000 From an
Indiana Banker.

WASHINGTON, Ind., March 30.—A woman was shot last night as she picked up a decoy prepared for her. Baker M. G. Read had received a letter demanding that he deposit \$30,000 at a designated spot. A man accompanied the woman, but escaped unhurt. The police are looking for him. The woman was peppered with bird-shot. The woman, bearded with blood, was taken to jail. She was identified as Miss Zella Clark and has been employed as a domestic. Read is president of the First National Bank of this city. The letter he received demanded that he place the money in a box to be left at the east gate of a school building at 8 p. m. He was given instructions to leave the box and run for his life. Upon receiving the threatening communication Mr. Read laid the matter before the police, and at the appointed hour officers were alerted in neighboring houses. The bank president made his way to the gate, placed the decoy box and ran as instructed. A few minutes later the man and the woman in the case appeared at the gate, the woman running to the box and picking it up. Some distance from the school building, the woman gave a cry of pain and fell to the pavement. Her companion escaped.

AND GEORGE SHALL BE SANDY AND SANDY GEORGE

King Peter Decides That His Sons Must
Exchange Names.

BELGRADE, March 30.—King Peter issued a ukase today changing the names of his sons. The step is taken to preserve the name of George as head of the House of Karaageorgievich. The former crown prince, George, who last week renounced his rights to the throne, will henceforth be known as Alexander, while Alexander, George's younger brother, who has been recognized as crown prince, will be known as George. George, the new crown prince, has been made a lieutenant in the army. The local press is venting the demand that he be sent to European colleges to complete his education.

EXPECTED INDIAN BATTLE HAS FAILED TO CONNECT

HENRIETTA, Okla., March 30.—Up to 8 o'clock this morning no intelligence has been received in Henrietta, which is the nearest telegraph point to the scene of the Indian battle, battle to indicate that Crazy Snake had surrendered or that the militia had engaged the Indians in battle. "Everything is quiet in the district surrounding Hickory Grounds," said Adjutant Ganton here this morning. Telephone messages from the three towns in the trouble zone this morning assured me that there was no trouble last night.

VENEZUELA IS JUST LONGING FOR CASTRO

Not the Slightest Objection
to Taking Him Back

Steamship Company Notified That He May
be Landed Wherever He Pleases—
Has Nothing to Say About It.

BORDEAUX, France, March 30.—A report is current here that Venezuela at the last moment prior to the sailing of the steamer Guadalupe, on which ex-President Castro is a passenger, advised the French line through its counsel, that Senor Castro would be permitted to land on Venezuelan soil. According to the report Senor Castro has been notified to this effect.

PARIS, March 30.—The French steamship company today confirmed the report of yesterday that the Venezuelan Government had reconsidered its decision not to permit Cipriano Castro, the former President of the Republic, who is returning home on board the steamer Guadalupe, to land in Venezuela, upon receiving official notification to this effect from Senor Paul, the Venezuelan Commissioner in Europe. The agent of the Company at Santander, Spain, communicating the change to the captain of the Guadalupe and to Castro. Castro made no comment on the matter.

AUSTRALIAN STATES OFFER A WARSHIP

The Commonwealth Government
Adopted Another Plan

So Now Victoria and New South Wales
Will Privately Subscribe for a
Dreadnought.

MELBOURNE, March 30.—The premiers of New South Wales and Victoria have decided to offer one Dreadnought to the Imperial government on behalf of their respective states. This is a result of negotiations between the two states undertaken since it became apparent that the Commonwealth government was not prepared to take any steps in this direction. Subscriptions will be made on the basis of population, New South Wales contributing \$4,000,000, and Victoria \$2,000,000.

ANXIETY RELIEVED BY REPORT OF SCHOONER

O'Brien's Trial Going on at Moncton—
Less Drunkenness in the
Railway Town.

MONCTON, N. B., March 30.—Word was received last night by the P. E. Field Co. that the schooner Horrid, which had been overdue for several days, had been reported safe. Considerable anxiety had been felt as to the welfare of this schooner.

Several Fredericton witnesses gave evidence this morning in the case of James G. O'Brien, a member of the Fredericton garrison, who was charged with theft. The Fredericton witnesses were all members of the garrison and identified the silverware as having been seen in O'Brien's possession. The case will be continued this afternoon.

That drunkenness is on the decrease in Moncton is evidenced by the police statistics, only thirteen drunks having been arrested during the month of March.

JOS. MCCLARY DREW UP LEASE HIMSELF

Copied It From Old One He
Once Had

But Left Out Parts—He Forgets Some
of the Details of the Transaction—
Other Witnesses Heard.

The case of Robinson vs. Estabrooks et al was continued this morning in the Equity Court.

Mr. Taylor, for the defendants, concluded the examination of Joseph W. McClary, one of the defendants.

McClary, who is a passenger, admitted that he tried to induce plaintiff to purchase the property. At that time he was acting for his employer, Watson. Witness copied this lease from a form which he had. He was unable to find the form. He did not see a witness. Witness admitted that the usual provision of right of re-entry in case of non-payment of rent might have been printed in the form, but he did not incorporate any such provision in the original lease.

Frequently when pressed by Mr. Taylor for answer to his questions, witness lost his memory. Witness applied for the lease in question about the middle of November, 1907.

Witness was positive the plaintiff knew that the renewed provision was incorporated in the lease.

The lease was then shown to witness who vehemently denied that the writing was in different ink.

McClary said that Mr. Regan, a lawyer, called on him and demanded to see the original lease. He refused to let Mr. Regan see it, because he was busy at the time.

Edward Bates, contractor, was the next witness for the plaintiff.

Examined by Mr. Hamilton witness said that about two hundred dollars would put the warehouse in repair. Witness estimated the rental value of the property at the time the lease was given providing the property was in good repair, at about \$400 a year.

Witness said that the property in that portion of the city was increasing in value.

The next witness was H. Ashley Estabrooks, the other defendant.

Mr. Estabrooks's evidence was partially the same as that given by McClary.

At one o'clock the court adjourned and met again at 2:30.

SAM LANGFORD MADE GOOD IMPRESSION

Joe Gans Has Consumption—Spring Foot-
ball Practice—The Driving
Parks.

NEW YORK, N. Y., March 29.—Sam Langford, the Boston black man whose pugilistic ambitions are leading onward in quest of the heavyweight championship title, returned to the Marathon Athletic Club in Brooklyn, met and easily defeated Morris Harris, another dark-hood gladiator. Harris was weak in the seventh round from a left hook to the jaw, and the referee humanely stopped the bout and forestalled what otherwise would have been a knockout.

Langford was in poor shape physically, but nevertheless he put up a good fight and made a good impression.

POUGHKEEPSIE, N. Y., March 29.—The Hudson River Driving Park Association has resigned from the Grand Circuit meeting and tomorrow Secretary Bain of this city will send the association's resignation to Secretary Shepard of the Grand Circuit, Columbus, Ohio. Secretary Bain stated tonight that the five per cent. tax levied by the state would be too expensive. The Hudson River Driving Park has been closed to all trainers for the season.
