

## THE STEVENSON SCHOLARSHIPS.

(Three of \$80 each.)

THE REV. J. STEVENSON, M. A., (sometime Professor of Mathematics in King's College) lately deceased, has left a sum of money for the purpose of founding THREE SCHOLARSHIPS, tenable for two years, and open to Matriculated Students in their second year of residence.

## REGULATIONS.

1. These Scholarships shall be competed for in the month of October, and shall be open to all matriculated students in their second year of residence.

2. No student shall hold more than one of these Scholarships; and in the event of two being vacant at the same time, they shall be awarded to the first and second candidates on the list who shall have attained the proper number of marks.

3. No student shall be admitted as a candidate who is not prepared to undergo an examination in at least two of the Departments recognized in the Professorships, and who cannot produce satisfactory certificates of moral conduct.

4. No Scholarship shall be awarded to any candidate who shall not have made at the examination 50 per cent. in two Departments. For the purpose of this examination the subjects indicated by asterisks shall be taken to be Departments.

5. In arriving at a decision on the merits of the candidates, the following shall be assigned as full marks in the various subjects named; but no subject shall count in which less than 25 per cent. shall have been obtained; and subjects limited to those making up 800 marks.
