One reason why Scott's Emulsion cures weak throats, weak lungs, makes rich blood, and strengthens puny and delicate children is because all its parts are mixed in so scientific a manner that the feeblest digestion can deal with it. This experience has only come by doing one thing for nearly 25 years.

This means, purest ingredients, most evenly and delicately mixed, best adapted for those whose strength has failed or whose digestion would repel an uneven product.

## 'Tis Joyous News.

**PAINE'S CELERY COMPOUND CURES ARE ALWAYS PERMANENT.**

THE HAPPY CURES THAT THE AFFLICTED DESIRE.

A REPORT FROM MR. DOUGLAS HIXON, OF BEAUMVILLE, ONT.

A great number of men and women, cured months and years ago by Paine's Celery Compound, have taken the trouble to assure the proprietors of that famous medicine that their cures are permanent.

This noble and bright record of permanent cures, shown by Paine's Celery Compound, is worthy of special notice, as it is the grandest record of the kind in the world. It should also be noted that all the permanently cured people are residents of our own Canada.

There are some medicines that partially relieve pain and suffering, that assist in building up vain hopes of a new life; but after a few days or weeks the terrible agonies come back again in more alarming forms, and hope and faith are lost forever.

This never happens when Paine's Celery Compound is used as a banisher of disease. The first bottle establishes a joyous feeling of security, and soon a perfect cure is effected which is permanent and lasting.

Mr. Hixon says: "Today I think more of Paine's Celery Compound than ever before. Since I was cured—over two years ago—I have never had a bad day or lost a day's work, never having had a return of the rheumatism from which I once suffered so terribly."

"Through my influence many have used Paine's Celery Compound and have been cured. I wish to affirm once more that it was Paine's Celery Compound that took the rheumatism from my system. I strongly recommend it to all rheumatic and sick people."

## One of Thousands.

"I was a martyr to Sick and Nervous Headaches, caused by Constipation, unfit for business on an average 2 days a week."

"Some pills helped me, but Dr. Agnew's Liver Pills at 20 cts. a vial cured me."

This is the written testimony of a well known Toronto journalist—you can have his name if you want it. Dr. Agnew's Liver Pills, at all druggists, 20 in a vial, 20 cents.

Lagrippe Conquered.

DARTMOUTH, Sept. 24th, 1896. Messrs. C. GATES & Co., Middleton, N. S.

This is to certify that while living at Belmont, in Colchester County, about 17 years ago, I took a very heavy cold and had severe cough and an attack of Bronchitis, which reduced me very much—was very bad for a month, friends feared my going into decline. I procured some of your Bitters and Syrup, which I took and soon began to improve, and kept on gaining till I fully recovered. Five years ago I was seized with an attack of La Grippe, which reduced me so much that I could scarcely walk without falling over. I then took eighteen bottles of your Bitters and Syrup, which built me up and made me thoroughly well. We continue to use your medicine and never think of being without them in the house.

I am willing to make oath to the truthfulness of the above statement.

Yours very sincerely,

HENRY ARCHIBALD.
