The board of railway commissioners for
 Canada met in Ottawa on Tuesday. Mr.
 Blair, in opening the proceedings, said the
 commission's powers were comprehensive,
 and, he felt sure it would neither jeopardize
 the interests of the railways nor of the
 public. He referred to the lack of experience
 on the part of the commissioners, and asked
 for the lenient forbearance of the public. He
 announced that the big slate of business
 could not be cleared until the commission

At Moncton Tuesday a convention of
 leading Acadians from different parts of the
 maritime provinces was held to consider
 the question of French text books in the
 public schools. A series of resolutions were
 passed by the convention to the effect that
 in purely French districts it is better that
 children be educated for the first few years
 in the mother tongue in order to prepare
 them better to learn English. To this end
 special French text books should be
 adopted instead of teaching from the
 imperial books as at present. A resolution
 was adopted expressing appreciation of the
 appointment of two French inspectors
 within the last few years. The
 opinion was expressed that teachers
 generally should receive larger salaries.
 A committee was appointed to present the
 views of the convention to the Board of
 Education, Judge Landry, P. J. Veniot,
 Inspector Herbert, Inspector Poucet, Dr. E. T.
 Gaudet are the committee.

DISCOMFORT AFTER EATING

 and heaviness, and who frequently find

 ward Piles, Fulness of the Blood in the
 Head, Acidity of the Stomach, Nausea,
 Heartburn, Headache, Disgust of Food,
 Gaseous Eructations, Sinking or Flutter-
 ing of the Heart, Choking or suffocating
 Sensations when in a lying posture, Dizzi-
 ness on rising suddenly, Dots or Webs
 before the Sight, Fever and Dull Pain in
 the Head, Deficiency of Perspiration,
 Yellowness of the Skin and Eyes, Pain in

Radway & Co., New York.
 Gentleman—In regard to "Radway's
 Pills," I wish to say, that I have never
 found any remedy that can equal them.
 For the past two years I was suffering
 from nervous dyspepsia and constipation.
 After eating I would have a sensation of
 heaviness in the stomach, feel like vomit-
 ing, pain and dizziness in the head, and
 then I would become nervous. I tried
 everything that was recommended to me.
 My physician told me I had chronic con-
 stipation and a sour stomach. He could
 relieve me somewhat, but still did not cure
 me. I was almost in despair. At last a
 friend persuaded me to try "Radway's
 Pills," which I did. And I am glad to say,
 that they not only relieved me, but
 positively cured me. Even after taking
 them only a few days, a regularity of the
 bowels was established, and the dyspep-
 tic symptoms have already disappeared.
 Now I feel like a new person.
 May God bless you and your wonderful
 remedy. I remain,

Which will quickly free the system of all
 the above named disorders.

Yours for health,
 B. S. TREXLER,
 Allentown, Pa.
