Be Good to Your Stomach

Be good to your stomach - it will return your kindness a thousand-fold in health, happiness and strength for the day's work & Nothing so delicious, wholesome and nourishing in Summer as strawberries with

a food that makes muscle, bone and brain without taxing the digestion. Shredded Wheat Biscuit with cream and a little fresh fruit for breakfast will keep the stomach sweet and clean and the bowels healthy and active—better than medicine or any "Spring tonic."

Heat the Biscuit in an oven to restore crispness; then cover with strawbe respheriries or other berries and serve with milk or cream, adding sugar to the taste. If you haven't tried it you don't know all the joys of Summer—healthful, wholesome and nourishing than soggy white-flour short-cake—alclean, always pure, always the same price. Try it today.
