Could Not Sleep Well For Four Years. HEART AND NERVES WERE BAD

To the thousands of people who turn to a sleepless pillow night after night, or who pace the bedroom floor with nerves unquieted, heart action wrong, and to whose eye sleep will not come, Milburn's Heart and Nerve Pills offer the blessing of sound, refreshing slumber. They restore the equilibrium of the deranged nerve centres and correct the wrong action of the heart. Mrs. Wm. Douglas, Thessalon, Ont., writes: "I am going to send you my testimonial for what your Milburn's Heart and Nerve Pills did for me. For four years I could not sleep well at night, as my heart and nerves were so bad. I tried all the doctors here, but none of them helped me. I read of your Heart and Nerve Pills, and tried only a few boxes, and I can certainly say they did me a great amount of good. I can now sleep as well as ever, and can advise anyone who suffers from heart trouble to try them."

WAS A CONFIRMED DYSPPEPTIC Now Finds It a Pleasure to Enjoy Meals

Here is a case which seemed as bad and as hopeless as yours can possibly be. This is the experience of Mr. J. J. Brown, 384 Bathurst St., Toronto, in his own words: "Gentlemen—I have much pleasure in mentioning to you the benefits received from your Na-Dru-Co Dyspepsia Tablets and can cheerfully recommend them. I simply had confirmed dyspepsia with all its wretched symptoms, and tried about all the advertised cures with no success. You have in Na-Dru-Co Dyspepsia Tablets the best curative agent I could find. It is now such a pleasure to enjoy meals with their consequent nourishment that I want to mention this for the benefit of others. The fact that a lot of prescriptions or so-called 'cures' have failed to help you is no sign that you have got to go on suffering. Try Na-Dru-Co Dyspepsia Tablets and see how quickly this suffering remedy will give you relief and start your stomach working properly. If it doesn't help you, get your money back, you have a lot at your druggist's. Compounded by the National Drug and Chemical Co. of Canada, Limited, Montreal."

ST. JOHN HIGH VICTORIOUS.

A very fast and one-sided basketball game took place last Saturday afternoon on the Y.M.C.A. floor, resulting in an overwhelming defeat for the Fredericton boys by St. John High School, the score being 52 to 18. During the first half, the game was closely contested and many exciting plays were pulled off, but as soon as the whistle blew for the final period it was easily seen that the Capital boys were not in it for a minute. The local team showed some good combination and great accuracy in shooting, especially the deadly shots of McAndrews and McPherson. All the local boys played a good heady game. The superior work of the defence was good to see, time and time again saving their basket by their stellar playing. The cleanliness of the game was, however, marred by some unsportsmanlike playing of the Fredericton defence. The pick of the Fredericton team were Edgecombe and Dolan, the former's shooting of fouls being a feature. The game was well attended especially by the fair sex.

CAPITAL HORSES WIN THE HONORS

Despite the stormy weather there was a very large crowd of people at Millidgeville on Saturday afternoon to witness the horse races held under the auspices of the St. John Matinee Driving Club. While the weather made it most uncomfortable for the spectators and the drivers the different events that were pulled off proved most interesting. All the honors went to the Fredericton horses with the exception of the Class B. trot which was won by Lina Bell driven by Thomas Hayes of St. John. Owing to McCallum owned by Wm. Brickley and May Chimes owned by William Kiern being unavoidably delayed in getting to the race track there was great disappointment as it was felt quite sure that these horses would have made a great bid for the first honors in the classes in which they were entered. It is hoped by the association that there will be other races in the near future when these horses will be given another chance. The following is the summary of the races:

JOKE HOCKEY AT FREDERICTON.

Fredericton, Feb. 23.—Hockey got a black eye on Saturday night when Marysville and Fredericton played a joke game at the Arctic Rink the Marysville team winning by a score of 12 to 7. Two inexperienced referees had charge of the game, when Marysville objected to Sandy Staples acting, and everything, slashing, tripping cross checking, off sides, etc., got by the officials. The rink management said "No more Saturday night hockey after this."

CREW HAD HARD TIME.

Boston, Feb. 21.—The three-masted schooner Vineyard of Machias, Captain Thompson, from St. John, N. B., with a cargo of 175,000 feet of lumber, was towed to an anchorage on South Boston flats yesterday afternoon by the tug Nellie, which brought her here from Gloucester. The vessel sprang a leak in a noisier gale Wednesday, between Boone Island and Thachens Island. The crew manned the pumps, but despite their exertions the water gained so rapidly that the moon had nine feet of water in her hold and became unmanageable. Captain Thompson worked the craft to a point close to Eastern Point, where his signals were seen from shore and a tug was sent to his assistance. The schooner was towed into Gloucester Harbor where she was beached on the flats and pumped out. The crew suffered severely from the cold. When the men recovered and were given an opportunity to rest the tug towed the schooner to Boston.

MOST SICKNESS COMES FROM WEAK, INACTIVE KIDNEYS

Recent Reports Show Hundreds Suffer with Kidney Troubles and Don't Know It.

There are scores of nervous, tired, run-down people throughout the city, suffering with pains in the back and sides, dizzy spells, weaknesses of the bladder, (frequently causing annoyance at night) who fail to realize the seriousness of their troubles until such conditions as chronic rheumatism, bladder troubles, dropsy, diabetes or even Bright's disease result. All this is due to weak, inactive kidneys. The kidneys are the filters of the blood, and no one can be well and healthy unless the kidneys work properly. It is even more important that the bowels move regularly. If you suffer with such symptoms don't neglect yourself another day and run the risk of serious complications.
