

FRENCH PUSH FORWARD IN THE VERDUN SECTOR

FRENCH GAINS EAST OF FLEURY

German Trenches Captured Saturday by a Brilliant Assault.

COUNTER-ATTACK AT BERNY FAILURE.

Two Hundred Prisoners and Several Machine Guns Fall to French in Attack East of Fleury.

Paris, Sept. 9.—French troops, by a brilliant assault yesterday afternoon, captured a section of German trenches east of the village of Fleury (Verdun sector) according to the official communications issued by the war office last night.

German attempts to retake positions in the neighborhood of Berny, on the Somme front, were repulsed. The text of the statement follows: "In the Somme region there was a somewhat lively artillery action on both sides. A grenade engagement made us master of a portion of an enemy trench to the east of Bellou, where we captured about thirty prisoners.

"The enemy, after a sharp bombardment, attempted to retake positions which had recently captured to the northeast of Berny, but was repulsed with heavy losses.

"In the region of the Meuse, east of the village of Fleury, before Douaumont, our troops this afternoon carried by assault the whole of one section of German trenches. Two hundred prisoners, including two officers and several machine guns, have already been sent behind our lines as a result of this brilliant action. Otherwise nothing important has occurred.

German Attack Repulsed.

Paris, Sept. 10, via London.—Several strong attacks were made by the Germans at points along the Somme front last night. The war office stated that the Germans penetrated a first line French position, but were driven back later with heavy losses. A German attack on the Verdun front also was repulsed.

The statement follows: "The enemy launched several strong counter-attacks south of the Somme in the course of the night at different points on our front between Bellou-En-Santerre and Barleux. His attacks which were accompanied with the use of jets of liquid flame, enabled him at first to set foot in one of our new trenches, but a vigorous counter-attack repulsed for a while at the ground momentarily occupied by the enemy. We captured four machine guns.

"Southwest of Berny, east of Delicourt and south of Vermandovillers, enemy bombing attacks, preceded by violent bombardments of our positions, led to sharp fighting. The Germans were thrown back along the whole line into the trenches whence they had issued, suffering heavy losses.

"On the right bank of the Meuse (Verdun front) 100 more prisoners fell into our hands as a result of a brilliant action, undertaken east of Fleury, making 300 of the enemy captured in this affair. A German attack on the positions we took recently west of the Fort Vaux road failed in the face of our artillery and machine gun fire. Hostile attacks at Espargues and Parrey were without result.

"German aeroplanes dropped four bombs yesterday morning on Belfort. There was no loss of life. The damage was unimportant. Flight Warrant Officers Baron and Eustace Meldi again bombarded the powder factory at Nettwill on the night of September 6th-10th, dropping six bombs, which were seen to fall to the ground east of the factory buildings. Explosions were distinctly heard, followed by volumes of white smoke rising from the establishment. The aviators returned safely without hindrance."

OFFICERS OF 140TH ARE IN CITY TODAY

Lt. Col. Beer and Staff Making Last Appeal for Men to Fill Ranks of Crack Battalion.

Lieut.-Colonel Beer, officer commanding the popular 140th Battalion, in company with several officers and non-commissioned officers, is in the city. The party are making a special trip to St. John in order to procure 100 men to fill the places of men who have failed to pass the medical examination preparatory to going overseas, which will probably be during the course of the next few weeks.

Colonel Beer will speak in the Imperial during the intermission, and it is probable, should the band concert be held tonight, that this battalion will be made from the bandstand in King Square.

The 140th Battalion is now practically ready to proceed overseas, and men who have been offering the excuse that they had to remain in Canada training too long, can find quick transportation to the other side, by enlisting tonight in the "crack" 140th Battalion, which has already made an honorable record on the sun-baked fields of Valcartier. There is every reason to believe, according to the latest reports, that this battalion will go overseas as a unit.

From here the party will proceed to Woodstock and Fredericton, where recruiting meetings will be held on Tuesday and Wednesday.

As this may be the last trip of Colonel Beer and staff to the city, before they sail overseas, a rousing reception should be tendered to the party should they decide to hold a meeting at King Square tonight.

Col. Beer's party includes Major D. H. Paine, Captain M. E. Conroy, Captain F. B. Young, Lieut. G. O. Dowling, Lieut. G. B. Wooten, Lieut. W. D. McDougall, Lieut. R. McL. Armstrong, Moncton; Lieut. P. O. D. Stevens, Moncton; Sergt. Bradbury, Sergt. Moorehouse, Corporal Britton, Privates O. J. T. Meating, C. E. Hughes, St. John.

"HELLO" GIRLS HAD GOOD TIME AT THE PICNIC

Outing of N. B. Telephone Employees at Torryburn on Saturday Proved Most Enjoyable Function.

On Saturday afternoon the N. B. Telephone Co. entertained the employees and their families at a monster picnic on the Bishop's grounds Torryburn. This is the first outing of its kind but it will not be the last, as it is the intention of the company to make it an annual event. The weather which looked threatening in the morning cleared off at noon and the afternoon and evening were all that could be desired. In order that all the employees of the operating room might attend the picnic without in any way crippling the service the management arranged for one half of the staff to work until five o'clock when they were relieved by those who had been out to the picnic in the afternoon. About 250 of the employees with their families were present and the affair was voted a success in every way. A special train at one o'clock took the party to the grounds and the company arranged for automobiles to bring in the members of the operating staff who attended in the afternoon, and take out those who worked.

The Temple band was present and provided music and supper was served by Bonds. During the afternoon an evening extended programme of sports was carried out and the girls proved themselves to be as good sports as they are efficient in their work. The management of the company appreciated very greatly the kindness of the Bishop in loaning them the use of the grounds for the day.

The company have 13 or 14 of their men at the front and a canteen was run at the picnic, the proceeds of which will be used to provide luxuries for them. Miss Annie Gibbs, of the office staff baked a cake which was auctioned and brought \$10.75, the buyer donated it to the canteen, and it was cut up and sold at 20 cents per pound, and a total of \$20.75 was realized from it for the fund. On the way in on the train, Miss Annie Gibbs, of the office staff baked a cake which was auctioned off for \$5 and added to the fund.

Lieut.-Col. McAvity and R. B. Emerson, two of the directors of the company, were the guests of honor.

A programme of sports was carried out, and some of the events were worth going a long distance to see. The ladies' sack race and tug of war were particularly good, and they certainly showed some speed in the dashes. The timer would not give the flags but it is understood that Frank W. at his best had nothing on the ladies Saturday when it came to speed. The needle and thread race was some class, and demonstrated that the girls in central know how to thread a needle as well as to say "number."

The needle and thread contest furnished a hot bed of fun, and at a time the ball was driven into the board straight—but it would be a shame to tell how long it took.

The events with the winners were as follows:
100 yards dash, men—1st, Wasson; 2nd, Duncan.
Needle and Thread race—1st, Mr. Tracey and Miss Driscoll; 2nd, Mr. Duncan and Miss Robson.
Tug of War—Outside Men vs. Inside Men, won by Outside Men.
Nail driving contest—1st, Miss Porter; 2nd, Miss Kane.
Sack race, men—1st, Dunham; 2nd, Colwell.
50 yards dash, ladies—1st, Miss Ingraham; 2nd, Miss Yeomans.
Tug of War—ladies operating department vs. office staff, tie.
Their much 1st, Mitev, cmfwpv fywppp
Three legged race, men—1st, Murphy and Lemon; 2nd, McClure and McKay.
100 yards dash, boys—1st, O'Dell; 2nd, Brown.
Shot Put—1st, Belyea; 2nd, O'Brien
In the evening a number of special races were held as follows:
Three legged race—1st, Wasson and Duncan.
Sack race, ladies—1st, Miss Milne; 2nd, Miss Barnes.
25 yards dash, married ladies—1st, Mrs. Skinner; 2nd, Mrs. Jenner.
Nail driving contest—1st, Miss Bradley; 2nd, Miss Seymour.
50 yards dash, ladies—1st, Miss Hill; 2nd, Miss Marjorie Tiplady.

The following acted as officials:—Referees, H. C. Gay, N. E. Moore, Judges, A. W. McMackin, Mr. Banks, Mr. Marshall; Starters, H. P. Robinson, Col. McAvity; Clerks and Timers, Mr. Fitzgerald, Mr. Hayes; Scorer, H. P. Black; Organizer in chief, O. J. Fraser.

Forty Air Fights Over Enemy's Line Saturday

French Airmen Invade German Territory with Disastrous Results to Enemy.

Paris, Sept. 10.—Two German attacks southwest of Berny were repulsed, according to the official communication issued by the war office tonight. The French artillery was active on the rest of the front. Elsewhere the day was calm. The text of the communication reads: "South of the Somme the Germans twice attacked our trenches southwest of Berny, but the attacks suffered a complete check.

"Our artillery was active in the course of the day along the whole Somme front. Elsewhere the day was calm.

"Aviation: On Saturday our airmen were engaged in forty combats over the enemy's lines, in the course of which the Germans suffered losses. On the Somme front Adjutant Dorme brought down his ninth aeroplane, which dropped at Beaucourt, south of Bapaume. Four other German aircraft fell in a damaged condition, one in the region of Maissonette and the others north and east of Peronne.

"On the Verdun front an enemy aeroplane came under our machine gun fire at close range and fell to the earth near Dieppe; another fell on the German first line near Vauquois, in the Argonne.

"On Saturday night one of our squadrons dropped 480 bombs on stations and enemy depots in the region of Chauny (south of St. Quentin). Several machines of this squadron made flights from their aerodromes to places selected for bombardments.

"The same night eighteen of our machines dropped numerous bombs on the military establishments at Ham and in the region south of Peronne. Several fires were observed in the districts attacked."

SWEDEN HOLDS UP BRITISH PARCELS POST

Sharp Exchange of Notes Over Retaliatory Measures by Swedish Government for the Allied Blockade.

London, Sept. 10.—There has been a further and rather sharp exchange of notes between Great Britain and Sweden in regard to the difficulties brought about by the Allied blockade and Sweden's retaliatory seizure of mails in transit between England and Russia. The British foreign secretary, Viscount Grey, insists that as a condition to submitting the matter to arbitration, Sweden must promise not to interfere again with English parcels post matter in transit across Sweden. The Swedish government apparently is determined not to make such an engagement. Until now the correspondence has been conducted almost wholly between Viscount Grey and the Swedish minister in London, Count Wrangel, but Viscount Grey's latest note to Count Wrangel says the count's communication is not understood, and that the British minister at Stockholm is being directed to present the matter to the Swedish government. Count Wrangel has now to the contrary, and it is announced he will stay for several weeks.

Count Wrangel's letter, given out today, says Sweden shares the hopes expressed by Viscount Grey, that the correspondence may bring a definite solution to the questions at issue, and that Sweden "would warmly congratulate itself on the application of the fertile principle of international arbitration." The count says further he is glad the British government appears to recognize it is an impossibility for the Swedish government "to renounce, in advance, the right to take measures which regrettable circumstances might render necessary."

The letter concludes with the statement that Sweden recognizes fully the binding character of the postal agreement of 1904, but maintains the right to suspend the agreement under the conditions in question. In reply Viscount Grey says the meaning of the communication is not clear, and that he has instructed the British minister at Stockholm to point out to the Swedish government that Great Britain "must, as a condition precedent to any arrangements involving recourse to arbitration, have assurance that the Swedish government will definitely cease to interfere with the transit of parcels to and from the United Kingdom across Sweden."

CZAR'S ARMY LOSES GALLANT COMMANDER

Col. Febedov Killed in Action—1,809 Prisoners and Several Guns Captured in Carpathians.

Petrograd, Sept. 10, via London.—"A group of seven German aeroplanes flew over the region of the Kovel, Rovische railway line," says the communication from the war office today. "One of our aviators, Staff Cavalry Captain Kazakov, engaged two machines in successive encounters, forcing them to take flight. From one of the machines a long column of smoke was seen to issue."

"Yesterday in the region of the Upper Horozanka river our gallant regimental commander, Col. Vladimir Timofey Febedov, was killed.

"In the wooded Carpathians, in battles from August 31st to September 6th, inclusive, we captured fifteen officers, 1,889 men, two mountain guns, twenty machine guns and a large number of rifles, hand grenades and cartridges.

"On the Baltic Sea yesterday morning enemy seaplanes raided the island of Runo, in the Gulf of Riga, without achieving any result. During the day enemy aeroplanes also appeared several times over Irbis Straits. They were engaged by our aviators and, notwithstanding their numerical superiority, on each occasion were driven off. Midshipman Safonov forced one of the enemy's aeroplanes to alight on the water."

Patrick McClusky, who resides at St. Patrick street, was admitted to the General Public Hospital yesterday morning about nine o'clock, suffering with a fracture of the tibia. As far as could be learned the patient in order to escape the onslaught of one of the household jumped out of a second story window. He was fortunate in escaping with only a broken leg.

Another patient, Harry Gorman of Erin street, was conveyed to the hospital by the ambulance patrol about the same time the former gentleman arrived. He, too, was suffering from a broken leg, caused by a horse kick in a barn near Haymarket Square.

Both patients are resting quite comfortably, according to information received from the hospital at an early hour this morning.
